## Truman Declares U.S. Must Remain Powerfully Armed

Outlines Basic Foreign Policy—To Confer With Canada and Britain on Atomic Bomb

NEW YORK, Oct. 27 (AP)—President Truman told the world today the highest hope of the American people was the perfection of world co-operation to a point where "atomic methods of destruction can be definitely and effectively outlawed forever."

Making his first overall statement of foreign policy in a Navy Day speech before a million persons in Central Park, the Chief Executive declared:

"We seek to use our military strength solely to preserve the peace of the world. For we know that that is the only sure way to make our freedom secure. That is the basis of the foreign policy of the people of the United States."

He set forth four purposes for which the United States must remain powerfully armed: To enforce the peace on defeated enemies, to support the United Nations, to defend the Western Hemisphere and to defend the United States.

The President, outlining a 12-point policy, asserted that the nation regards possession of the atomic bomb "a sacred trust." He added:

"The atomic bomb does not alter the basic foreign policy of the United States. It makes the development and application of our policy more urgent than we could have dreamed six months ago. It means that we must be prepared to approach international problems with greater speed, with greater determination, and with greater ingenuity in order to meet a situation for which there is no precedent."

Mr. Truman said the United States soon would begin discussions of the atomic bomb with Great Britain and Canada and later with other nations, but he reiterated that those talks would not be concerned with the "processes of manufacturing."

## From Europe Day by Day—

THE TIMES, London

News and Comment on International Events selected from The Times daily and published in The Daily Colonist by special arrangement with The Vancouver Daily Province.

(Copyright, 1945, by Southern Co.)

LONDON, Oct. 27.—Peace and progress of Europe depends upon the common policy and the common action of the great powers, above all, in the treatment of Germany. For these there can be no possible substitute.

This is the way The Times views the plight of Europe, commenting on Foreign Minister Bevin's speech in the House of Commons on Friday, when he said there were 35,000,000 people on the move on the Continent.

Looking below the surface of the results of war, The Times says countries the Germans devastated twice in a generation are entitled to put their own future security before anything else.

Beyond a point, breaking up of German productive capacity must mean a net loss and not a gain to countries that have suffered directly at the hands of the Germans.

It is the calculation of this point that Allied unity has so far failed. The Times went on to call for unity on the policy to be adopted toward Europe before it was too late to do anything about salvaging from the wreckage of war the chance of future peace and world security.

In days, The Times' correspondent declares, the Indonesians, like the Dutch, are gradually getting their heads out of the sand.

But they are still trying, with childlike escapism, to postpone the day when they must get together with the Dutch.

It is not mediation so much as proceeding that is needed in the present situation. The British have recently been doing a good deal of this prodding to make both sides face the problem.

For the nationalist leaders the first intonation is wearing off, he declares. Independence, Indonesians are discovering, is more than flags, salutes, speeches and interviews.

## Powerful Jewish Brigade on Review in Palestine

The eyes of the world are on Palestine today as the fight for a Jewish homeland has been revived. The Arabs say that Palestine must remain Arab. There have been threats of a Jewish (holocaust) war that would set the entire Near East ablaze. But the Jews, too, have armed power. Here is a view of the Jewish Brigade, formed before the war, with British authorization to defend their settlements against the Arab threat. It is more powerful now than ever. Photo is from the March of Time's "Palestine Problem."

## Freedom of Rennes Given to Patton

RENNES, France, Oct. 27 (AP).—Gen. George S. Patton, Jr. today was given freedom of this Brittany capital, which Third Army troops, formerly under his command, liberated from the Germans.

## Chinese Masons Will Meet Here

Premier John Hart will head a list of distinguished guests at the 12th anniversary convention of the Chinese Freemasons Society, November 7 at the Empress Hotel.

Other guests at the anniversary dinner will include Mayor Percy George, provincial and civil police chiefs, and members of the Provincial Government.

Celebrations will commence November 4 at the Chinese Masonic Temple. Lion dances and a street parade are planned. Representatives from all parts of Canada and the United States will attend.

All funds raised at the affair will be for the refugees and wounded soldiers of China.

Dinner parties will be held between November 4 and 7 at various Chinese centres throughout the city.

## Communists Take Railroad Centre

CHUNGKING, Sunday, Oct. 28 (AP).—An official communiqué issued by Chinese Communists claimed today their forces have captured a railroad town near Tschoulin in Southern Hopei Province "after killing or wounding the greater part of 5,000 puppet troops there."

This claim, if correct, would mean the Communists forces have interposed themselves directly in the path of Government troops moving toward Peiping. The railroad town named was Linningwang.

## Island Nears Halfway Point In First Week of Bond Drive

Yankee Island approached the halfway mark yesterday in its Ninth Victory Loan campaign. Subscriptions reached \$5,777,750, or 42 per cent of quota, at the end of the first week of the campaign.

Victory Loan officials said they believed the passage through Victoria of repatriated Canadian and British troops from Japanese prisoner of war camps was spurring the drive here. Citizens did not need to be told after greeting these men, of the great need for funds for rehabilitation and reconstruction, they said.

Another major factor in the success of the campaign to date, according to canvassers, is the fact that investors are buying bonds for the security they represent. Many are buying in anticipation of future needs.

Island reports yesterday showed Alberni-West Coast leading this area with \$1.6 per cent of quota, and Ladysmith well up with 75 per cent. Greater Victoria has 44 per cent.

Figures for the island follow:

Greater Victoria	Quota	Sub. Per Cent
Greater Victoria	\$4,400,000	\$3,701,300 84
Island	1,275,000	538,800 42
Chowichan-Donkey	1,100,000	280,125 25
Comox-Comox	750,000	384,900 51
Nanaimo	1,075,000	384,900 35
Alberni-West Coast	225,000	112,125 50
Ladysmith	200,000	148,800 74
Total	\$11,425,000	\$5,777,750 50

## 50,000 Nazis Out of Job

Oct. 27 (AP).—More than 50,000 Nazis or persons with Nazi leanings have been discharged or refused employment in the American zone of occupation in five weeks. It was announced today.

## To Open Talks in Batavia

THE HAGUE, Oct. 27 (AP).—The Dutch Government today ordered Hubertus Van Mook, acting governor-general of The Netherlands East Indies, to begin negotiations immediately with the Indonesian Nationalists seeking independence.

The announcement made through the Dutch Ministry, said reports from the rich Pacific colonial possession were still too confused to permit additional comment.

Earlier in Batavia, capital of the Dutch East Indies, Van Mook said suggestions for a meeting with the Nationalists "have not yet assumed a definite form."

The Cabinet of President Soekarno, who heads the unrecognized "Indonesian Republic," held a lengthy session this morning, but issued no announcement other than to say the meeting would be resumed tomorrow.

Fighting broke out yesterday between Japanese and Indonesian troops near Garut, southeast of Bandung, the Dutch news agency Antara said, quoting Merdeka, organ of the "Indonesian Republic."

Other reports, Antara added, said Indonesian and Japanese forces had clashed at Peking, ten miles west of Batavia, with many casualties among native troops.

A Hilsbrons broadcast reported the 4th Battalion of The Netherlands Army Shock Troop Regiment would sail for The Netherlands East Indies Monday.

It was believed that Soekarno was attempting to get a general agreement on the date and place for a meeting with Van Mook, and to unite his own ranks to present a picture of solidarity.

## Sugar Remains Sour Ingredient

NEW YORK, Oct. 27 (AP).—Sugar remains the sour ingredient in the nation's food supply.

Of all the staples in the nation's economy due to the war, sugar was the most chaotic and will probably be the longest lasting.

Production dropped, partly because of military destruction and conquest, but partly, Ody H. Lam-born, sugar broker, said today, because the United States Government at first over-estimated the demand and importance of sugar in the war program, and encouraged competing crops.

Lamborn, president of the New York Coffee & Sugar Exchange, predicted sugar rationing controls in one form or another can't be ended safely before 1947, and world supply and demand will not be in balance again before 1948.

## Navy Command Comes Back to Island Today

Re-establishment of Pacific Command of the Royal Canadian Navy at Esquimalt will get under way today with the arrival from Vancouver of a Victoria-built transport ferry carrying 23 truck loads of office furniture, records and other equipment, according to Capt. C. D. Donald, N.O.I.C., Esquimalt.

The ferry was loaded with trucks in Esquimalt, Friday, and went to Vancouver where the trucks were disassembled and loaded with the equipment at Jericho Beach, Pacific Command.

## Dominion-Provincial Parley Government's Next Problem

News is going to be scarce around the Legislative Buildings for the next few days.

Ministers who are here are taking a few days off after the vigorous election campaign into which they were all plunged, and several have not yet returned from their home ridings.

Premier John Hart is going fishing. He has not yet disclosed whether he will use the "John Hart" name for the next three weeks.

Increased action on postwar planning, closely tied in with the Dominion-Provincial relationship because the province must be assured the revenue to carry through its expansionist program, is anticipated.

But if there's no news for a few days, it will probably flow freely thereafter, for the Coalition Government has pledged immediate and continuing action in the program it offered the voters, and in the past four years this Government has demonstrated that when it sets out on a program, it follows through.

## Deputy Minister Coming Here on Harbor Proposals

To Meet With Harbor Committee to Go Into Plans for Improvement—Will Visit Nanaimo

SPECIAL TO THE DAILY COLONIST

OTTAWA, Ont., Oct. 27.—E. P. Murphy, deputy minister of public works, will be in Victoria on Thursday next to go into proposals for improvements in Victoria harbor.

He will confer with the harbor committee of the Victoria City Council, members of the Chamber of Commerce and representatives of the Trades and Labor Council. A delegation from these bodies a few weeks ago placed Victoria's proposals before the Public Works Department here.

En route to Victoria, Mr. Murphy is breaking his trip via Trans-Canada Air Lines with stop-offs on official visit at several points on the Prairies, including Calgary.

Chief Engineer K. M. Cameron, of the Public Works Department here, left Ottawa a week ago to conduct surveys in Victoria harbor, and will not return from the Pacific Coast before November 15.

From Victoria, Mr. Murphy is proceeding to Nanaimo to look over the harbor facilities situation there.

## Pipers Will Meet Victoria Scottish

Pipers of all battalions of The Canadian Scottish Regiment will be sent to Vancouver to contribute to the gala welcome to be accorded the regiment's 1st Battalion when it arrives in Victoria, Col. H. M. Urquhart, colonel of the regiment, said last night. The 1st Battalion is expected late in November.

Speaking at the largest meeting of the Canadian Scottish Regimental Association ever held, dominated by men of the 1st Battalion who have already returned home, Col. Urquhart said a color party will be formed of men who fought in this war and have since returned.

"In welcoming home men of the 1st Battalion, we will be doing honor not only to them and to others of this regiment who have returned," Col. Urquhart said, "but we will be giving Vancouver Island the opportunity to honor other navy and air force men who have not previously had the chance to parade."

He urged that all members and former members of the regiment leave their names and addresses at regimental headquarters, 201 Post Office Building.

Guest of honor at the smoker was Brig. P. N. Cabell, D.S.O. and Bar, E.D., who recalled the excellent record of the battalion overseas.

The battalion never suffered a reverse or setback. Every objective assigned to it was taken," he said.

He was introduced by Brig. J. M. Rockingham, D.S.O. and Bar, and J. R. Cleator, president of the association, was chairman.

## Montgomery to Be General Staff Chief

LONDON, Oct. 27 (NANA).—Although it has not yet been officially announced, Field Marshal Sir Bernard Law Montgomery will succeed Field Marshal Lord Alan Brooke as chief of the Imperial General Staff.

Lord Alan Brooke is among the half-dozen men to whom Mr. Churchill refers as the "chief architects of Allied victory." A tall man, with a heavily-lined face and gentle voice, Alan Brooke will live in the country when he returns from a tour of the Far East.

## U.N.R.R.A. Specialists

LONDON, Oct. 27 (AP).—An official of the United Nations Relief and Rehabilitation Administration said today its 1,176 health specialists in Europe were conducting the "largest international medical and relief operation in history."

Dr. N. M. Goodman, director of the administration's European Division of Health, said the health force represented 24 nationalities and included 128 physicians.

## Grant Radio Privileges

PARIS, Oct. 27 (AP).—An authoritative source tonight said the Americans had decided to turn over control of the powerful Luxembourg radio to the British and French, although the United States has a three-year contract to operate it.

## The Weather Across Canada

## Warns Americans Against New Order in Argentine Politics

WASHINGTON, Oct. 27 (AP)—Spruille Braden, assistant United States Secretary of State and former Ambassador to Argentina, tonight by implication called Argentina's "strong man," Juan Peron, "a self-styled saviour, supported by a clique aping its European Nazi prototype."

Day dinner in Washington, said the Nazis, "while defeated on the battlefronts, have not yet been eradicated" and asserted that American appeasement might be fatal.

Although he did not mention Argentina or Peron by name, Mr. Braden obviously was referring to conditions in Argentina when he said he could testify "from personal observation" that the Nazis "survive in great numbers to spread their malevolent ideologies and, under-

citizen simply because he refuses to

hall the 'leader'.

"It permits a hoodlum with brass

knuckles to strike the face of a

young girl because she cries 'Long

live democracy'."

"It permits arrests without charge,

it permits torture. It permits sabre-

wielding mounted police to ride

down men, women and children."

Americans should be "as alert as

in the blackest days of the war to

meet the menace latent in the con-

tinuation of such conditions," Mr.

Braden asserted.

"Let us not forget that the Euro-

pean Nazis began by subjugating

their own peoples before they

attempted to subjugate their neigh-

bors. History must not repeat itself."

"BOOBY TRAP"

CANBERRA, V.I.—At Balik Papan,

many motor cars in good condition

have been found. A lucky sapper

discovered a new sedan on which he

stuck the notice "booby trapped."

Later in the day before covetous

eyes, he lifted off the notice got in

and drove away.

## Find Human Ashes, May Be Death House

LONDON, Oct. 27 (AP)—A

Moscow broadcast said to-

night that Polish police had

discovered a large pile of

human ashes, possibly of tens

of thousands of persons, in a

Warsaw building. The broad-

cast said the building had

been used by the Gestapo as

a death house and torture

chamber.

The banquet, attended by

Syracusans and Knights of Pythias,

was held at Crystal Garden. Tom

Mathieson was chairman and toast-

master. Rev. George Biddle, guest

speaker, dwelt upon the spirit of

fraternalism, which if more wide-

spread would lay the foundation of

international friendship, he de-

clared. Ray Toplis replied to his

address.

Clifford Kirkham, Victoria, was

named to succeed Fred Ritson as

grand regent of the Princes of

Syracuse for British Columbia.

After the banquet Syracuseans, who

are the Junior Knights of Pythias

lodge, went to Victoria House

for a dance, while their

seniors attended a round-table

discussion on the theme of "Child

Welfare, a Point of View," at the

Dominion Hotel. The discussion

was led by Irvin Lisle, Yakima, supreme

grand lieutenant, supreme palace,

Princes of Syracuse.

Visitors came from Vancouver,

Seattle, Tacoma, Olympia and Yak-

ima.

stewards, chiefs, cooks and waiters

are needed to serve 30,621 meals.

Manning the trains, including din-

ing, sleeping and train crew, are

569 employees, including those who

service the specials, more than 1,000

railway workers are involved.

The first train left the dockside

at 3 o'clock Friday afternoon and

for 26 hours, until 6 o'clock Satur-

day night, a special left every hour

from Halifax over the C.N.R. line.

This is the biggest return move-

ment of troops to arrive back in

Canada on a single ship to date.

Among the hundreds of civilians

who came to Canada on the queen

of the seas are the Duke and

Duchess of Sutherland, going to

Ottawa, Prince and Princess Matia

Chyka, of Romania, the prince

holds a visiting professorship in

ethetics and will lecture at the

University of Southern California.

Sir G. Usher and Lady Usher; the

Right Rev. D. R. Rawlinson, Bishop

of Derby, Eng., and a party of Brit-

ish railwaymen, all going to the

United States, and a group of Can-

adian nursing sisters from South

Africa.

Names Committees

Of Junior Chamber

C. J. Harrington, president of the

Victoria Junior Chamber of Com-

merce, yesterday announced his

standing committees for the cur-

rent year. The committees and

chairmen are: Civic affairs, J. Ex-

ton Presley; clean-up, paint-up,

Charles Patrick; publicity, Lee Hal-

berg; luncheon, G. E. Verley; May

24th celebrations, M. P. Hunter;

Christmas lighting, F. Norris; re-

search, M. F. Loughheed; use your

vote, N. H. Parkins; film forum, A.

R. Richardson.

ing to see them together waiting

for Johnny to come back from the

war.

The grandfather asserts his be-

lieve that Mrs. Walsh is somewhere

in a daze from worry. He finally

appealed to the Red Cross, the

police, the navy and Senator War-

ren G. Magnuson. Magnuson got

Johnny a leave and a number one

air priority, but there was no im-

mediate plane transportation, so

Johnny boarded the first ship. He

should be here to help his dad

along about Monday or Tuesday.

## Johnny Coming Home to Help Dad With Kids, Navy Agrees

SEATTLE, Oct. 27 (AP)—John J.

Walsh, 22, sailor, was being rushed

home from Guam on 30-day leave

today after his father, William

Walsh, 72 years old, appealed to the

navy "For God's sake send Johnny

home, as his wife has disappeared

and I'm left with the kids."

"The kids" are John Patrick, 5;

Maureen, 3, and William, who was

born the day before his father was

drafted into the navy 16 months

ago.

Grandpa Walsh has been caring

for the youngsters ever since his

daughter-in-law, Mrs. Maureen

Walsh, 21, disappeared August 21.

"And I'm proud to care for them,

and I'm doing a damned good job,

too," he told an interviewer today.

"What's more, I like it. But the

kids keep crying for their father

and mother."

Grandfather Walsh described his

missing daughter-in-law as "an ex-

remely pretty girl and a good

mother." He said she took her hus-

band's draft "pretty hard."

"And as the months went by she

became more and more despondent

and homesick and she cried and

talked of Johnny and what they

would do together when he came

back.

"And she would hug the kids and

tell them about their father and

how wonderful he was," the old

man asserted. "It was heartbreak-

ing."

Twenty stars of British stage and

screen. Bands and orchestras of the

British Navy. Most unique show

ever to come to Victoria. Tuesday,

Wednesday, Thursday (matinee

Wednesday) at the Royal Box office

open 10 a.m. Monday. Sellout antici-

ated.

## Science in Step With Labor Need for Canada's Future

VANCOUVER, Oct. 27 (CP)—One of the most pressing problems facing the universe today is to bring the advances of science into cooperation with labor for full and proper utilization of manpower, said Hon. the Rev. Canon H. J. Cody, C.M.G., D.D., D.C.I., D.D., Chancellor of University of Toronto, in his address at the first day of the annual meeting of the Canadian Association of Scientists.

Vanovers since 1938, has several speaking engagements in the city and between appointments is giving thought to programs of forest and farmland conservation, in which he has taken an active part for many years.

The distinguished scholar, who graduated from University of To-

## Arthritis Pains Fought In 30 Minutes

By helping nature dissolve and remove body poisons and acids that often aggravate the pains, aches and stiffness of Arthritis, Rheumatism, Neuritis, and Sciatica, the prescription Remedy is bringing ease and comfort and happiness to thousands of sufferers. Remedy is not an ordinary "pain killer" but works a way: 1. It quickly combats and removes the acids. 2. It helps nature remove irritating acids such as Uric Acid. 3. It stimulates the liver, improving the purifying action on the blood. 4. It stimulates the kidneys and aids in removing body poisons. Remedy is sold under this liberal fair play plan. Get a package from your druggist. See how quickly it works and how it helps you. Take all of it, and unless you are completely satisfied, simply return the empty package, and all your money will be refunded. Get Remedy today, see how much better you feel tomorrow.

He said that the goal of proper utilization of our manpower.

"When science is applied to agriculture, it means crops without destruction to the human. Science, by providing fertilizers, is aiding in protecting the soils.

"We should treat our forests and fields, and reseed and rebuild them. It can be done with the co-operation of Federal and Provincial Governments.

"Nature will assist in reformation if we choose our cuttings carefully, gather up the slash, prevent fires. These are among our most urgent problems."

Dr. Cody's smile warmed anew as he spoke of the University of British Columbia.

"U.B.C. will be one of the outstanding universities in Canada," he said. "It is a magnificent site. It has the back of the Provincial Government. It has great spirit and great enthusiasm."

"I wish we could stay longer here, but we have to hurry back to To-

## Says Hitler Still Alive

PARIS, Oct. 27 (AP)—The newspaper France Soir today quoted Otto Abetz, Germany's wartime ambassador to France, as saying in an interview that Adolf Hitler "is certainly not dead."

The newspaper said Abetz added that Hitler "was not a coward—I believe one day he will return."

Abetz' arrest was announced yesterday by French zone headquarters. The former ambassador was captured as he sought to slip from the French to the United States zone of occupation disguised as a war prisoner.

Howard President  
Of Victoria Elks

C. C. Howard was elected president of the Victoria Elks Club at the annual meeting of the lodge.

Others elected to office were W. Thacker, vice-president; J. R. Begg, R. B. Collins, A. D. Findlay, M. A. McBride, and P. C. Payne, board of governors; and C. V. Milton, secretary-manager.

## Hundreds of Victorians Board Prince Robert at Ogden Point

Despite strong winds and a cold rain, hundreds of Victorians journeyed to Ogden Point piers yesterday afternoon to board and inspect the captured German ship H.M.C.S. Prince Robert—Victoria's "own ship."

The "open house" was arranged in connection with the Ninth Vi-

board the 1,000-ton vessel again today between 2 and 6 p.m.

Prince Robert arrived at Esquimalt October 20 from Manila, bringing a group of liberated prisoners of war, three months and 15 days after leaving here for the South Pacific theatre.

Victoria can well be proud of the warship she adopted as her own.

The name Prince Robert has been well-known to Canadians since 1931 when the ship, then a passenger liner of the Canadian National steamship system, was on the triangle run between Victoria, Vancouver and Seattle. Later she became a luxury cruiser on the Alaska run.

In the Spring of 1939 Prince Robert, then the Royal Standard when she was chosen to transport the King and Queen from Victoria to Vancouver. The ship made a record run of three hours and thirty-two minutes from wharf to wharf.

With her sister ships, Prince Henry and Prince David, she was taken over by the Royal Canadian Navy in 1939. The transformation from a liner to an auxiliary cruiser was completed when she was commissioned in February, 1940.

CAPTURED GERMAN SHIP  
WESER EARLY IN WAR

The 387-foot ship, built in Birkenhead, England, played her first major wartime role off the coast of South America. Under the com-

mand of Cmdr. C. T. Beard, R.C.N., she intercepted and captured the German ship Weser, which was brought to Victoria as a prize of war. The Weser was subsequently renamed Vancouver Island, and served in the merchant navy until sunk in the Atlantic by a German submarine.

Australian and New Zealand airmen to Canada for training under the British Commonwealth Air Training Plan. Under the command of Capt. P. G. Hart, R.C.N., she escorted the Canadian Expeditionary Force to Hongkong.

The first Canadian ship in Pearl Harbor, she sailed from that port December 4, 1941, three days before the Japanese attack.

Shortly after Pearl Harbor, Prince Robert was at Vancouver, being converted into an anti-aircraft cruiser. She was back in service again in 1943, under the command of Capt. A. M. Hope, R.C.N. Then she traveled to the European theatre.

In the Bay of Biscay she was attacked by Germans using the deadly glider bombs. During a two-hour attack her anti-aircraft fire accounted for six enemy planes.

September 4, 1944, saw the gallant ship back home. She had her third transformation, preparatory to her role in the Pacific. Stripped to bare necessities and completely fire-proofed, she emerged carrying radar sets, and equipped with two four-inch guns forward and three aft. She was bristling with anti-aircraft protection.

LEFT ESQUIMALT FOR  
PACIFIC ON JULY 5

On July 5, this year, Prince Robert left Esquimalt under the command of her present commanding officer, Capt. Wallace B. Creery, R.C.N., Vancouver. She joined the British Pacific Fleet.

With the Japanese surrender, the vessel was assigned to enter enemy waters and secure certain areas. From the ship cigarettes, candy and food were sent to prisoners of war held till then by the Japanese.

On September 13 Canada's newest cruiser, H.M.C.S. Ontario, expected to arrive at Esquimalt next month, joined Prince Robert at Hongkong.

Capt. Creery witnessed for Canada at the surrender ceremony, Sunday, September 16.

Ten days later, September 26, she sailed for Manila to pick up liberated prisoners and bring them to Esquimalt.

Prince Robert's wartime complement is 35 officers and 457 men. Although all provinces of the Dominion are represented on board, most of her men are from Ontario and British Columbia.

Several Exceptions  
To Freezing Order

There are many exceptions to the order freezing retention of tenants, officials of Emergency Shelter Ad-

Escape in Accident  
POWELL RIVER, Oct. 27 (CP)—

Two Powell River loggers narrowly escaped death recently when their truck went out of control on the main highway and plunged over a 100-foot embankment. One of the men, Bert Love, was thrown clear at the top of the bank, the other, Eric Hanson, remained in the cab and rode the truck down. Fortunately the truck stayed on an even keel and did not roll over, otherwise serious injuries would have resulted for Hanson. The men suffered minor bruises.

Among exceptions are shared accommodation and accommodation rented for five months or less under "term certain" lease. Also, it was pointed out, sub-tenants have no rights under Emergency Shelter regulations and stand or fall with the tenant.

## Envy

Envy is a self-destroying force. It eats like a canker into the consciousness and unseats human judgment. Envy blinds the eye of the beholder, and allows suspicion to picture through imagination what it does not see. Suspicion feeds upon itself. Envy, like a weed, strikes deeper than that. It can overrun the garden of the heart, choking the finest of human fruits and flowers, leaving in their place unreasoning ill will toward others. Envy, like suspicion, grows strong with nourishing until it has become a ruling passion, discoloring all life.

Stripped of its excuses and its deceptions, it has many self-apologies to offer. Envy stands as a flaw in human character, a part in which man is of smaller stature than he could be. It may be innate in human beings, but unless it is controlled and kept down envy soon becomes a dominating force. It is watered by rivers of ignorance, covetousness and greed, and ripens fast under the suns of indolence, selfishness and malice. Envy is ill will.

Society pays a heavy tribute to envy in this world. The fear of dark looks and a wagging tongue prevents many a kindly deed from being done. On the individual plane, it leads to a breakdown in human relations, the seeing of strangers where none existed before, and severance of natural ties without which no individual may long exist. On the national and international plane, envy reaches its darkest and its rankest growth. It is a prime factor in the development of wars, seeing with jaundiced eyes that which is of fair intent.

Long ago man was enjoined against envy. "Thou shalt not covet . . ." is one of the Commandments which will stand through time. Covetousness is a taproot of envy, the self-sowing weed. But great as is its cost to the world, envy exacts a heavier toll from its possessor than from its intended victims. It rots the soul. It may have been with this and more in mind that the Apostle Paul in his Epistle to the Romans, at Romans xiii, 13, said: "Let us walk honestly, as in the day . . . not in strife and envy."

## Our Guests

Greater Victoria has now a good many repatriated servicemen and civilians in its midst, on their way home after liberation from Japanese prison camps. "Home," in innumerable instances, is on the other side of the world, with thousands of miles of weary journeying to come first. In the brief break-journeys here, this community has the continuing opportunity of proving an efficient and generous host to such guests. That is what Canada would wish, and it is what Greater Victorians want through inclination and sentiment.

Outside of the official arrangements made for the convalescence and care of the "Repats," there is a good deal that can be done by Victoria homes to lighten the days of our guests, and to make some small return for the outstanding sacrifices and services of these men and women. Nor need anyone stand upon ceremony in that. In the nature of the case an introduction is not to be expected. There is nothing to stop our citizens from approaching these visitors by the most direct route possible, and seeing to it that they lack for nothing which this community can supply.

The "Repats" are easily to be recognized, in most instances. Many are wearing the khaki dungarees that was the undress uniform of American services overseas in the Pacific. In many instances, too, they have lost all their personal possessions, and are far removed from those offices where they will be able to catch up with their back pay. The official traveling allowance is slender, limiting the number of things these visitors can do of their own initiative.

War breeds its own customs. It is good taste and sound judgment today to take a "Repat" in tow, to fit him into the family circle, to show him that his service and his sacrifice means as much to this land as to the country of his origin. Scores of Victorians are doing just that. There is, meanwhile, rooms for many more. As each fresh ship arrives, these men and women will be strangers on our streets. It is our task to make them feel "at home" in this, a British land.

## Working in Unison

For a few more years, no doubt, Canadians will have that comforting feeling of working at tasks in unison, of doing together things that require to be done. This is the spell of the old barn-raising, the lure of the quilting bee, the camaraderie of the harvest-home festival of pioneer times in Canada. As the pioneers labored together to raise their homes, this nation is working today to bring order out of confusion, security out of unrest, peace out of war. That is pioneering, too. The Ninth Victory Loan may not be the gold spike in a transcontinental railway, but it is a milestone in that road which this nation must traverse if it is to reach its full objective in the peace.

Beyond the individual or corporate response to the loan, there is across Canada today the feeling of serious tasks to be done, and an impatience to get at them and have them done. Internally, there is the encouraging return of tens of thousands of our own fighting men, each with a life to live. There are homes to be built and factories to be set going. There is a world of work to be attempted and done. Externally, the world will need the helpful co-operation of this nation at many points. Food, shelter and clothing for the bereft; credits and tools for those nations now struggling back on to their feet; "living space," perhaps, for the homeless and weary, in a new and bright land. Are these not marks to shoot at?

As no one standing at the source could predict what a great river would be like at its mouth, so no single Canadian can envision all of this nation's business, or all that this Victory Loan will do. From a laughing rivulet high in the hills, the river becomes a mighty torrent, a navigable way for the commerce of a world. From the prudent savings of many a Canadian household, the Ninth Victory Loan can become a tide to carry this nation forward, closer to its heart's desire. This, the strength of unity, can help to bring the Canada that is to be.

## Sane Hallowe'en

Good progress has been made in this community towards a safe and sane Hallowe'en; one, moreover, in which there will be plenty of legitimate fun for the youngsters. What the Kinsmen Club of Victoria is doing in this connection is worthy of every support. It should contribute much to the arrangements for the occasion. On Wednesday the ghosts will walk, no doubt, but as self-respecting wraiths who have a recognized piece of haunting to do. In that recognition is the safety valve. Oldsters, who once were youngsters, can assist by keeping in spirit with the occasion. At Hallowe'en there will be plenty of room for ghosts; but none for hoodlums, or those who have lingered over-long in their adolescence. This community can help to make Hallowe'en what it should be—a merry children's party. We need the laughter, in our hearts!

## Snow on the Olympics

Fresh snow on the Olympics marks a new turn in the year. There is frost in the valleys, and the wind has a keen edge to it. Field spiders use the long nights to float their airborne cables across many a public path. The sun, flying low, glints strangely onto ceilings. Night falls early, and with it the moist hint of mist. Street lights glisten through trees that have lost part of their rich foliage, spotlighting the gloom if little more.

In the short day, the sun brings a surprising show of heat to sheltered places, but out of doors one notices not the sunshine, but the wind. The wind has kissed the Olympics, and lingered in its crossing. It has danced around Mount Angeles, Tom Thumb and the Bogashiel, whose gaunt blue sides are covered now in newly fallen snow. It has ruffled the hair of the whistling marmot, and shrilled a long bleak tune in the rocky gorges. It has crossed the Strait of Juan de Fuca gathering moisture, but losing little of its chill.

The Virginia creeper has turned scarlet, from base to peak. The snowberry flaunts its favors in a thin, denuded thicket, beside the "burning bush." The mist condenses in silvered pools along the roadway, their mirrors turned toward the grey and scudding clouds. The old oak drops its leaves warily, one rustling token at a time. In the gardens bright colors linger with only small encouragement. In the gutters, the varied hues of yesterday have faded or gone out. A greying land looks upward at a lowering sky.

Still, there is the snow on the Olympics, carving carvings of alabaster against a blue-green background. The peaks stand out in all their stately majesty. The clouds drop low in winding wreaths and trailing, gossamer filaments. The mist rises and parts to reveal an age-old pageant, ever strange and new. Nature is at work with her black and white. The year has turned on.

## Seen in Passing

Victoria, one day soon, will ask for its Weather Bureau back. We are not referring to the flying weather services guiding the Trans-Canada and other lines, but to our day-by-day meteorological sampling and testing, part of world's work in the formulation of weather charts. The facilities are here. The site was specially chosen for its year-round clarity and freedom from fog. And these facts will operate with double force in the days that are to come. The war was used as excuse to strip the capital city of British Columbia of everything save taxgatherers, but the war is over now.

## From "Nature"

There is a pleasure in the pathless woods,  
There is a rapture on the lonely shore,  
There is a society, where none intrudes,  
By the deep Sea, and music in its roar;  
I love not Man the less, but Nature more,  
From these our interviews, in which I steal  
From all I may be, or have been before,  
To mingle with the Universe, and feel  
What I can ne'er express, yet cannot all conceal.

Roll on, thou deep and dark blue Ocean—roll!

Ten thousand fleets sweep over thee in vain;  
Man marks the earth with ruin—his control  
Stops with the shore, upon the watery plain  
The wrecks are all thy deed, nor doth remain  
A shadow of man's redoubt, save his own,  
When, for a moment, like a drop of rain,  
He sinks into thy depths with bubbling broan,  
Without a grace, unknell'd, unconfined, and unknown.

—BYRON.

The people are the masters—BURKE.

## Hitler Alive?

By L. S. B. SHAPIRO  
North American Newspaper Alliance  
BERLIN, Oct. 27 (By Wire)—The Russians are not convinced. They will continue to assume that Hitler is alive until they see positive proof of his death—"because it's too dangerous to assume otherwise."

The same evidence which has led British and American officials to consider Hitler dead is given exactly the opposite interpretation by Russian intelligence officers. They think it points to the likelihood that Hitler has escaped from Germany.

This Russian reaction to recent developments in the Hitler mystery was given this N.A.N.A. correspondent by a highly placed official in Soviet circles in Berlin on condition that he not be quoted by name.

"Of all German problems, this one certainly cannot be dismissed by conjecture or highly circumstantial evidence," he said. "It would be the height of folly to accept anything but direct evidence. Hitler's capacity for deceit should not be underestimated."

"Let us analyze the evidence on which some base their conclusion that Hitler is dead. It comes from two chaffeurs, one of whom fell into British hands, the other being captured by Americans. By a peculiar coincidence, both turned out to be talkative fellows, and their versions of Hitler's death were given the widest publicity—something that might well have been anticipated by Hitlerites seeking to establish the plausibility of the Fuehrer's death."

"If the Red Army had captured men possessing such inclusive knowledge, you may be sure their evidence alone wouldn't be given sufficient credence to command such wide publicity."

"Both chaffeurs say they saw Hitler's alleged body but that it was wrapped in a blanket so that the face wasn't visible. Why did they assume this was Hitler's body? Because they recognized the trousers, cuffs, shoes and stockings and because the uncovered body of Eva Braun was brought out of a shelter at the same time. It seems peculiar that Eva Braun's body should be uncovered while Hitler's face remained masked."

"If this is the principal evidence on which the Americans and British base their belief that Hitler is dead, it is their right to do so. But we feel that that very same evidence points to a grave possibility of deception—even to the extent of sacrificing Eva Braun's life to convince several unimportant people present of Hitler's death. Hitler certainly wouldn't hesitate to kill Eva Braun for his own purposes. Don't forget what he did to Ernst Roehm, who was also very close to him."

"It is quite possible that Hitler is dead," my informant concluded, "but it is just as possible that he is still alive. Martin Bormann may be able to reveal the truth, but he also will have to produce concrete evidence. Otherwise the Soviet will never abandon the search."

This Russian reaction was given today shortly after a United States officer attached to the Counter-Intelligence Corps confirmed the story from British sources that Anglo-American officials have removed the Hitler case from current files.

North American Newspaper Alliance reported three months ago that one of the very few men who could conclusively identify Hitler's body believed on evidence then available that Hitler was alive. This man is Dr. Robert M. W. Kempner, who for five years as legal adviser to the Prussian State Police co-ordinated the work of a dozen secret agents who tried to eliminate Hitler.

"Germany's most dangerous (political) criminal," "Hitler's right ear," Dr. Kempner recalls, "was sharply pointed in what Lombroso, the great Italian criminologist, regarded as a mark of natural criminal bent; his right thumb was abnormally long, and his jaw, distinguished by recession of the teeth, would in itself be sufficient to establish his identity." It has been reported without official confirmation that Dr. Kempner is now in Germany seeking evidence of Hitler's death.

Editor's Note: The Russians were the first to report Hitler "dead," on the basis of a body found in Berlin. Later that was retracted, and the search began anew. It will never end until the world has outright proof.

## Letters to the Editor

No letters to the editor will be inserted except on the proper signature and address. This rule admits of no exception. No letter should exceed 100 words in length. Unsolicited correspondence cannot be returned.

## CLUSTER LIGHTS

Sir.—It has been brought to my notice that Victoria intends to dispose of her cluster street lights.

As a tourist in the country I will regret the absence of these touches of individuality and beauty.

In my own country we invest large sums in establishment and upkeep of tourist attractions, yet this city that over there I shall not cause

## TWENTY-FIVE YEARS AGO

(From The Daily Colonist of October 28, 1920)

Sugar Found.—From the Douglas fir trees in British Columbia sugar has been extracted. The find is of the greatest importance to the scientific world. "An exhaustive investigation was made by Prof. John Davidson, botanist, at the University of British Columbia."

## FIFTY YEARS AGO

The City.—To a large audience in the Theosophical Society's Hall last evening, Mrs. Harris delivered the seventh talk since her arrival here. The subject of the lecture was "Mysticism, Mediumship and Adeptship," each of which was separately dealt with.

## SEVENTY-FIVE YEARS AGO

(From The Daily British Columbia of October 28, 1870)

Potato Famine.—Our exchanges state that in New England the potato crop is over, and good eating varieties are worth \$1 per bushel, with a prospect of prices being still higher towards spring.

## Craftsmanship Shows Promise in City

Contributed

The Island Arts and Crafts Society opened their thirty-fifth exhibition yesterday at the Crystal Garden, and had as their co-leagues the members of the Pottery Guild together with the craftworkers of the Kiwanis Rehabilitation Group.

The members of the Arts and Crafts Society are to be commended for their artistic efforts in water colors, oils and pastels. The exhibition is a non-jury show—all pictures without exception were hung. It is therefore extremely creditable to see the high standard of attainment.

In Vancouver there is an auxiliary group of painters affiliated with the Federation of Canadian Artists and they term themselves "The Painting for Pleasure" Group. After viewing the pictures on the walls it will readily be admitted that the painters deserve a similar title, as they are truly painting for pleasure.

The freedom of technique the suave brushwork, the easy handling of materials, all denote the pleasure that the artists took in their work.

Nearly all the exhibitors have grown out of the fussy detailed work which characterized the paintings ten or fifteen years ago. Even the painters who adhere to perfection in drawing dash on their color with the abandon of an impressionist.

E. M. Faux and Frank W. Faux send some water colors of excellent merit and great refinement. The same may be said of B. R. Berwick, Charles Barker and Gladys Woodward.

Will Menclaw handles his water colors in a bold manner, with C. Turpin showing delicate careful treatment, and low in tone. The work of J. W. Laing is more direct in execution than formerly and consequently has more transparency in the shadows. Miss Josephine Cresce, Maude Lettice, Ethel M. Reid, and Uniky Baile are all painting in a direct and vigorous manner. Oil colors are not so numerous as water colors, but the work of Miss Glyde, Miss Langdale, and Miss Lilian Young is worthy of mention: they have a fine sense of color values and good draftsmanship. Flower studies form an important part of the exhibition, the work of Isabel Hobbs, Rose Willis and Charles Barker being outstanding; while pastels are confined to portraits by Hester Wilkinson, very refined in treatment; and of bolder type by Lilian S. Young. Two excellent studies of dogs in the same medium by Florence Birley take their place well; and a charcoal drawing by I. S. R. Langdale shows considerable imagination.

The pottery exhibit is full of interest inasmuch as it shows what can be done with local crude materials.

A great deal of pioneering has been accomplished both with local clays and with home-made glazes.

you any trouble and hope I shall get a job for supporting my family."

On inquiring, I found that only British and American settlers are allowed to enter Canada for the next six months, and that they have to bring \$5,000 with them, before they are permitted to land.

In six months' time, even if this law should be relaxed, I am afraid our help for those unfortunate people will be too late.

We, in this country, have not suffered, our homes are intact, we have work, health and food; it's up to us to help those who have suffered and have lost everything.

Why keep 25,000 Japanese well fed in British Columbia and let the Polish refugees, whose sons and fathers have fought side by side with the Canadians on every battlefield, die of neglect in Europe, because the emigration law will only allow British and American settlers, and only those with money to enter Canada?

I do not suggest letting people come to Canada indiscriminately, but I do appeal to all public-minded people, and all those who have any influence in the Government machinery, to try to make it possible for a limited number of refugees to enter Canada.

If every large city in Canada adopted only five families, they could easily be kept by public subscriptions for six months to a year until they were self-supporting.

It is our duty, and in gratitude for having been spared the horrors of war in this beautiful country to try to help those people who are asking for our help.

(Miss) P. MARGARET DRAKE, 1237 St. David Street, Victoria, B.C. October 28, 1945.

## LOST SCOTCH BADGE

Sir.—May I on behalf of a repatriated prisoner of war ask if anyone knowing the whereabouts of an "Argyll and Sutherland" glesgerry with regimental badge, missing from the men's cloak-room at the Jubilee Hospital Thursday evening, October 25, kindly return same to the Red Cross Canteen at Gordon Head. It is of great sentimental value to the owner and the return would mean so much to the lad from Edinburgh.

MRS. HELEN COLPMAN, 1183 Richmond Avenue, Victoria, B.C. October 28, 1945.

## Observation Car

By G.B.

Pet dislikes . . . Persons who drop cigarette butts in ash trays and thoughtlessly leave them to produce wisps of acrid smoke . . . The man who is always borrowing cigarettes and matches . . . The man or woman who uses cups and saucers for ashes when there is an ash tray at his or her elbow . . . Members of the Legislative Assembly

out stopping for breath . . . Girls who leave smears of lipstick on the rims of cups and glasses . . . Those who project their faces close to yours when talking . . . Householders who let their dogs bark and their cats howl without restraint . . . The man who says "What's new?" "What's doing?" or "What do you know?" . . . The person who turns on his radio set so loud that it is necessary to shout in order to converse with him . . . Persons who write a 1,000-word letter containing matter that could easily be condensed into 100 words . . . The man who leans over your shoulder to see what you are writing . . . Those who carry on 15-minute conversations over telephone party lines . . . The quality of a strange concoction labeled "black pepper substitute" on order of the Wartime Prices and Trade Board . . . Landlords who think that a temperature of 65 degrees is sufficient on a cold Winter day . . . The man who says to an elevator operator, "I suppose life is full of ups and downs?" . . . To a garbage collector, "I suppose business is picking up?" . . . Teenage boys and girls who think they know everything, and look on their parents as old fogies . . . Motor cyclists who think the public enjoys the uncouth racket created by a machine without a proper muffler . . . Garage mechanics who leave greasy fingerprints all over a car . . . The man who complains about election results, yet either did not vote or was not on the voters' list.

## Givenchy Has 311 Per Cent of Loan

Victory Loan canvassers at H.M.C.S. Givenchy have attained 311 per cent of their quota of \$45,000 and the total is still climbing. Navy Loan organizers said yesterday they were aiming at 400 per cent of quota and hoped to achieve it next week.

## Lieut.-Governor and Mrs. Woodward To Lead Police Ball Grand March

Lieutenant-Governor W. C. Woodward and Mrs. Woodward will lead the grand march at the 32nd annual police ball, one of the leading social events of the season, being held at the Empress Hotel on Friday, November 2. Patrons of the affair are Premier John Hart, Mayor and Mrs. Percy George and Chief and Mrs. J. A. McLellan. Also in the receiving line will be Capt. B. J. Gaddison and Mr. Duncan McTavish, of the Police Commission. Special guests will be Police Chief and Mrs. A. N. Morken, Bremerton, Wash., and Sgt. MacTrish, secretary-treasurer of the Seattle Police Ref. Association, and Mrs. MacTrish.

## Schubert Club Concert Soon

Opening its 23rd season, the Schubert Club will present a recital at Metropolitan United Church, on Tuesday evening, November 6, under the direction of Frederic King.

For many years this choir has delighted audiences in Vancouver and Victoria, and in Seattle before the war. It is noted for its quality of tone and musical interpretation. Assisting artists will be Pierre Timp, baritone, and Edgar Holloway, organist. Among the varied and attractive numbers on the program will be spirituals and a Rachmaninoff song which gives full scope to

the talented accompanist, Dorothy Gough.

## My Neighbor Says:

Food values are retained if cabbage is cooked only five minutes. Heat three cups of milk, and two quarts of a reddish cabbage and simmer for about two minutes. Mix three tablespoons of flour with three tablespoons of melted fat. Add a little hot milk to the blended flour and fat. Stir the milk into the cabbage and cook three or four minutes, stirring continuously. Season to taste with pepper and salt and serve at once.

LONDON (CP)—Menu outside an Italian restaurant, beans on toast; egg on toast; cheese on toast; toast.

## Trafalgar Day Tea

At the annual Trafalgar Day tea held recently by Arbutus Chapter, I.O.D.E., a copy of the original issue of The London Times, telling of the death of Lord Nelson at the Battle of Trafalgar, was read by the guests. The copy was loaned by H. S. H. Jones, of Mount Sicker Road, who has kept it as a souvenir since that war.

Mrs. M. A. Anthony, general convener, assisted by Miss G. Larmann, arranged attractive table decoration for Empire tables in floral and statuette designs: Canada, maple leaves; England, rose; Scotland, thistle; Ireland, shamrock; Australia, black swan; India, elephant; New Zealand and South Africa, floral formations.

Tea was poured by the honorary regent, Mrs. S. Lomas, and past regents, Mrs. J. Sandland, Mrs. P. Lomas and Mrs. C. G. Saunders.

Conveners were Mrs. J. Webster, Mrs. C. Ford, Mrs. T. McEwan, Mrs. R. McBride and Mrs. L. Hemming.

## Bowling Club Plans Fancy Dress Dance

Several outstanding artists will appear on the program being presented at the fancy dress Halloween social being given by the Victoria West Lawn Bowling Club at the clubhouse on Wednesday, October 31, at 8 p.m.

The club four-piece orchestra, under Jimmy Keating will provide the music for the old-time dances. An invitation has been extended to bowlers and their friends. Refreshments will be served.

## To Convene Halloween Dance at Yacht Club

MISS Zow Harmon who is convening the Halloween Dance being given by the Royal Jubilee Hospital Alumnae at the Yacht Club, Tuesday, October 30, is a veteran of four years' service overseas. Miss Harmon was one of the first Victoria nurses to leave for South Africa in 1941. After two years' service in South Africa, Miss Harmon was with the South Africa hospital ship Amra carrying wounded from Italy to the United Kingdom and later from Port Said to Durban.

## Social and Personal

Mr. and Mrs. Roy Sharp, of Nelson, are guests at the Empress Hotel while visiting in the city.

Mr. John R. Taylor came over from Vancouver to be best man for Mr. John E. Hay at his wedding to Miss Dolly McAlpine last evening.

Miss Eleanor Graves, of Winnipeg, is a visitor in the city for a few days and is staying at the Empress Hotel.

Mr. and Mrs. John W. Knight, of Vancouver, are spending a few days on the island while visiting Mr. and Mrs. R. Knight at "Grouse Nest," Sooke.

Sgt. Ldr. A. M. Jardine, R.A.P., has arrived in Victoria to spend his leave with his mother, Mrs. A. O. Jardine, at their home, 616 Moss Street.

Guests from Vancouver attending the Curley-Lockley nuptials last evening at St. Paul's Naval and Garrison Church included Mr. and Mrs. F. Herick, Mr. George Curley, brother of the groom, and Mrs. R. Gregory.

Capt. D. M. MacKenzie, of Picton, Nova Scotia, arrived recently to spend the winter with his sister, Mrs. Ramsay, and Mr. and Mrs. H. J. MacKenzie, in Victoria. Captain MacKenzie was captain of the Samson, when she was torpedoed off Port Said in 1918.

Eastern Canadian visitors in the city, spending a few days at the Empress Hotel, include Mr. H. W. Falconer, Toronto; N. S. H. Munn, Hensall, Ontario; Mr. A. S. Nicholson, Burlington, Ontario; Mr. Len H. Copp, Waterdown, Ontario; Mr. E. J. Carville, Montreal.

Lieut.-Colonel William Rae, D.S.O., of London, England, is expected in Victoria on Monday, when he will be the guest for a few days of his brother-in-law and sister, Lieut.-Colonel and Mrs. Fraser Forrest, Beach Drive. Colonel Rae arrived in Canada by air one week ago, and will return to England shortly.

A birthday supper, honoring Mrs. William Taylor, was held recently at 3444 Bithune Avenue. A buffet supper was served and a birthday cake centred the table. Guests were Mr. and Mrs. Lawrence Knowles, Mr. and Mrs. Robert Sager, Mr. and Mrs. William Latham and Mr. and Mrs. Alice Robertson. Music and games were enjoyed.

Miss Agnes Fales gave a surprise dinner at the home of her parents.

Twenty stars of British stage and screen, bands and orchestras of the British Navy. Most unique show ever to come in Victoria. Tuesday, Wednesday, Thursday (matinee Wednesday) at the Royal Box office open 10 a.m. Monday Sellout anticipated.

## LADY, YOUR CORSET BELONGS ON SOMEBODY ELSE!

Worried because your corset sags, your knees hurt? You probably bought your corset by sight. And you shouldn't. A corset should be made to suit your own measurements. That's why, when you buy a Corset, ask a Graduate Corset Maker to take ALL your measurements, then prescribe your corset from as many as 77 models in a suit. No wonder women prefer to be fitted in the corseting control and comfort of Charis.

IT MUST BE THE RIGHT SUPPORT, OR CORSETS WON'T LET YOU WEAR IT!

Charis PERSONALIZED CORSETRY

MRS. L. DOBIE 444 Vancouver Avenue, Victoria B.C. 6-1000 1512

## Repats Enjoy Supper Dance

Many of the Repats from the Far East were among those enjoying the Supper Dance at the Empress Hotel on Saturday night. Among the parties were Mr. A. W. Gillespie with sixteen; Lieut. Slater with ten; Mr. W. A. Jamison, Mr. J. C. Holland, Lieut. W. Manning with eight; Mr. C. Cameron, Mr. L. Jackman, Mr. L. M. Evans, Mr. P. Barton, Mr. W. J. Peden, P.O. R. C. McDonald, Lieut. P. Picard, each with six; Mr. C. W. Stegman, Mr. P. Morrison, Mr. E. S. McGowan, Mrs. M. Fails, Mrs. W. McLagan, Mr. N. Bury, Lieut. J. West, Mr. W. Beck, Major C. H. Read, Mr. J. W. Arbuckle, Lieut. McGreevey and Mr. S. Berryman.

## Diana Spencer to Wed Naval Officer

Colonel and Mrs. Victor Spencer, "Glen Heather," West Vancouver, announce the engagement of their fourth daughter, Diana, to Commander Kenneth L. Dyer, D.S.O., R.C.N., son of Col. H. R. Dyer, D.S.O., and Mrs. Dyer, now of Sydney, Australia. Both principals are officers in the Royal Canadian Navy, the bride-elect is a lieutenant in the Women's Royal Canadian Navy Service, stationed at H.M.C.S. Naden, Esquimalt, after having served overseas. Her fiancé is serving aboard H.M.C.S. Warrior. The marriage will take place early in the New Year.

## Mum Show Will Assist Solarium

Fifth annual show of the Victoria and District Chrysanthemum Society will be held at the Crystal Garden November 1, 2 and 3, with the proceeds once again being devoted to the Queen Alexandra Solarium for Crippled Children.

This is the last flower show of the year. Victorians will see the "Queen of Autumn Flowers" displayed in all its glory. Fifty-two classes comprise the show with four of these for novices who have never won a prize in a mum show.

Two outstanding classes will be the Duke of Kent, a huge white bloom, and Fred Taylor, a monster yellow, which will be shown separately from the other whites and yellows.

The show will be officially opened by J. V. Johnson at 8 on Thursday night but doors will be open to the public at noon.

Many citizens who have not yet visited this show in former years are unaware of the treat they have missed. President Melville Mayhew said the show promises to be even better than previous years and a large entry list is anticipated.

The show will be open daily from 10 a.m. to 6 p.m. Plants will be given away each night to holders of lucky admission tickets and there will be the usual auction of plants and blooms at the close of the show on Saturday night.

Judges for the show are Alderman Charles Jones, of Vancouver, and Frank H. Dwyer of New Westminster.

Members of the Solarium Junior League are assisting with the show with Miss Mildred Jones as convener.

SALISBURY, England (CP)—Originally a Methodist chapel, then a movie theatre and later a Home Guard store, the building which has served as Salisbury Garrison theatre since October, 1943, will be opened as a public repertory theatre on October 31 by the Arts Council of Great Britain.

## Trapp Family Give Unusual Program

Baroness Maria Von Trapp and her seven attractive daughters made a lovely Old-World picture in their simple peasant costumes last night at the Royal Victoria Theatre when the program, "Trapp Family Singers," was presented by Hilker Attractions Limited.

The large audience enjoyed the "different" fare they presented and called for several encores. The artists excelled in these, notably in Brahms' Lullaby and in the original version of "Silent Night," first introduced in America in 1937 by their ancestors.

Purity of voice and real feeling lifted these two numbers above the level of ordinary renditions, and brought sympathetic applause from the audience. Another interesting encore was the "Orchestra Song." They were given added interest by the brief stories told by the baroness in introducing each number.

First group of the well-received program included a composition of Dr. Franz Wagner, their director and family priest, "Children's Blessing," and Mozart's "Ave Maria." Dr. Wagner sang a fine baritone in several of the numbers.

Interesting in the second group was the arrangement for recorders and virginals of "Three Austrian Folk-dance Melodies," by Dr. Wagner. And in the third group a pot-pourri of Austrian folk songs and yodels proved enjoyable. The echo song with Agatha Von Trapp's splendid soprano taking the solo and Hedwig Von Trapp as the delightful echo, suggested the forested Tyrolean Mountains.

The fourth group showed variety. It included two jolly English folk-songs, "The Old Woman and the Peddler" and "The Oak and the Ash," and a lovely rendition of "A La Claire Fontaine."

The entire program had appeal and an unusual quality. It is interesting to note that the family was forced to abandon their Tyrolean

## Kathleen Worsley Lovely Bride In Afternoon Wedding Saturday

Kathleen Mary, daughter of Col. Church, Oak Bay, on Saturday, at 3 p.m., Archdeacon A. E. de L. Nunns officiating.

Given in marriage by her father, the bride wore a beautiful gown of white slipper satin, with sweetheart

neckline, long bodice and gathered skirt. The veil, which was worn also by the bride's paternal grandmother, was of Brussels lace, and was completed by sprays of orange blossoms. She carried a shower bouquet of Rapture roses, gardenias and white carnations. As the bride entered the church, the hymn, "Lead Us, Heavenly Father, Lead Us," was sung, and "Oh, Perfect Love" was sung during the signing of the register by six choir boys.

Miss Winona Worsley was her sister's bridesmaid, wearing a pale blue crepe, street-length dress with soft shirring at the neckline and on

A reception followed at the home of Mrs. Alan McKillop, where Capt. C. Tarrant proposed the toast to the bride.

For the honeymoon trip the bride wore a soft wool dress in light brown, with dark brown coat with fur collar, and brown hat. Her corsage was of gardenias and yellow roses. Mr. and Mrs. Mara will reside in Vancouver.

## Original Air Force Girl Returning Home

SGT. LOUISE R. MACBRIDE

One of the original forty girls of the R.C.A.F. (W.D.) to be sent overseas in September, 1942. The daughter of Mr. and Mrs. Duncan MacBride, of this city, Sgt. MacBride joined the Air Force in April of '42 and has experienced many bombing raids in London. Sgt. MacBride arrived in Canada on the Queen Elizabeth and is expected home later this week.

## Week's Campaign for Youth Fund

Princess Alice Foundation Fund swings into an intensive one-week campaign on Monday at 10 o'clock, when a booth at Douglas Street entrance of Spencer's store will be open to receive contributions from the public. Monday the University Women's Club and the Women's Canadian Club will be in charge and each day members of city women's organizations will take over the booth.

In Esquimalt, donations will be received by Mrs. C. D. Donald and Mrs. R. McVie at Palmer's Drug Store, corner Admirals and Esquimalt Roads.

Launching the campaign at Government House early in October, Mrs. W. C. Woodward and Mrs. John Creighton, Vancouver, urged women's organizations to help put British Columbia in the lead of Canada's

provinces. Already several men's and women's organizations have subscribed generously and it is hoped citizens will follow their example.

The total quota for Canada is \$50,000, which will provide scholarships and grants-in-aid for deserving students who show leadership qualities and who have a real interest in social service.

Other associations manning the fund's booth at Spencer's are: Tuesday, Diocesan W.A. and Catholic Women's League; Wednesday, Local Council of Women until 10 o'clock; Thursday, Children of France; Friday, Canadian Legion W.A.s; and Saturday, Y.W.C.A. and Business and Professional Women. Other organizations will give assistance.

Donations may also be mailed to Miss Mary Campbell, treasurer, at 1029 Linden Avenue.

Wages and Misses M. Spence, J. Palmer, R. Ray, Elsie and Margaret Matthews.

Honoring Mrs. William Curley, nee Phyllis Lockley, whose marriage took place last evening, Mrs. T. Hadfield and her daughter, Mrs. Claude Sluggitt, entertained on Friday evening at a miscellaneous shower held at the former's home, 304 Lamson Street. The gifts, piled on a wagon decorated in Halloween colors, was driven in by little Daphne Sluggitt. Guests were: Mrs. T. Tammis, Mrs. T. Crouch, Mrs. Kennedy, Mrs. G. Longstaff, Mrs. P. Norman, Mrs. R. Hadfield, Mrs. Hutchinson, Mrs. G. Blackmore, Mrs. W. Harbison, Mrs. J. Davies, Mrs. R. Narracon, Mrs. I. Hall, Mrs. C. Elliott, Mrs. D. Russell and Misses Molly Tamms, Velma Jacklin, May McBeath, Molly Mitchell, Irene Hall, Kay Lockley, Hazel Stevens, Pat Rosister and Claire Cressing.

Miss Dolly Carey, a November bride-elect, was presented with a California pottery breakfast set in Poppy Trail pattern, when Mrs. R. Keiran and Miss Edith Cameron entertained on Friday evening at the former's home, 3226 Alder Street. Guests were: Mrs. K. Carey, Mrs. H. McDonald, Mrs. T. Bradbury, Mrs. D. French, Mrs. B. Gilson, Mrs. A. Ockwell, Mrs. L. Cameron, Mrs. Miller, Mrs. L. Treleor, Mrs. Seath, Mrs. M. Macham, Mrs. F. Collins, Mrs. L. Brooks, Mrs. M. Naysmith, Mrs. Jobling, Mrs. Anderson, Mrs. D. Carey, Mrs. M. Rusey, Mrs. E. Ockwell and Misses Betty Kerby, Muriel Prendergast, Phyllis Bayliss and Peggy McDonald.

## An Important Message TO ALL WOMEN OVER 40...

If extra work or effort now becomes a strain—if you tire easily and no longer have the same old pep and energy—you'll appreciate the revitalizing effect of Phyllosan. Phyllosan, a modern scientific formula developed through the research of an eminent professor of medicine, tends to tone up the whole system and promote a sensation of general well-being. Soon you begin to feel keener, younger, more alive.

Phyllosan, it has been said, is "more than a tonic, it is a creative force in the system" . . . "stimulates all physical and vital forces." Tablets should be taken regularly every day, particularly by those over 40, who usually derive the most benefit. Buy at your druggists today—results may astonish you!

PHYLLOSAN

## Weddings

CURLEY—LOCKLEY

At St. Paul's Naval and Garrison Church last evening, Rev. Cecil Devensh united in marriage Phyllis Rhona, daughter of the late Mr. and Mrs. Alexander Lockley, Esquimalt Road, and William Curley, Vancouver. Mr. C. F. Boulter presided at the organ and the choir was in attendance singing Psalm 87, and during the signing of the register "The Voice That Breathed O'er Eden."

Escorted by Mr. G. Hughes, the

of ivory slipper satin fashioned with round neck and embroidered net yoke, full-length sleeves and a full skirt. Her floor-length veil of silk net was arranged under a Mary Stuart headdress and she carried pink roses and white carnations.

A sister, Mrs. Doris Norman, was matron-of-honor in blue, and Miss Kathleen Lockley, the bridesmaid, wore pink sheer. Bridesmaids of flowers with shoulder-length veils to match their frocks were worn and they carried arm bouquets of bridesmaid chrysanthemums. A brother of the bridegroom who served overseas with the Seaforth Highlanders, Mr. George Curley, acted as his best man, and ushering was Cpl. Melbourne Keyworth, Hongkong repatriate. A reception was held at the home of the bride, where the toast was given by Mr. T. Hadfield.

For a honeymoon in Vancouver, the bride donned a powder blue dressmaker suit with matching topcoat with bleached fox collar, black accessories and a corsage of roses and swansons. Mr. and Mrs. Curley will reside in the city temporarily.

THOMAS—BEASTON

Of interest to friends in Victoria is the announcement of the marriage in Lachine, Que., of Charles Frederick Thomas, son of Mr. and Mrs. C. H. Thomas, Trent Street, Victoria, to Louella Jean, daughter of Mr. and Mrs. R. Beaton, Calgary, Alta., which took place at the home of Mr. and Mrs. E. A. Green, Lachine.

The bride was given away by Mr. F. C. Sloan, and chose as her wedding ensemble a frock of dusty rose crepe trimmed with insets of cream lace, her accessories being black, and she wore gardenias en corsage. Mrs. E. A. Green and Mrs. F. C. Sloan were the bride's attendants frocked in chartruese crepe with black accessories and corsages of yellow roses.

The bridegroom, a graduate of Aeronautical Institute of Technology, Los Angeles, who served as a test pilot for Harvard trainers at Noorduine, Que., and with the British West Indies Airlines in Trinidad and Jamaica, before returning to Montreal, had Mr. E. A. Green as his best man.

A reception was held following the service when Mrs. Thomas, Victoria, mother of the groom, received with the bride party. The couple left later for a trip to Knowlton, Que., after which they will take up residence in Montreal.

HAY—MCALPINE

The marriage of Mary "Dolly," second daughter of Mrs. William McAlpine, 42 Surrey Block, and the late Mr. McAlpine, to John Edward Hay, eldest son of Mr. and Mrs. John A. Hay, Roblin, Man., took place last evening at the home of the officiating minister, Rev. A. E. Whitehouse.

The bride, wearing a grey wool dress with ray black hat trimmed with sequins and veiling, black accessories and a corsage bouquet of gardenias and roses, had her sister, Mrs. R. J. Davidson, as her only attendant. The latter wore a turquoise blue wool dress with brown accessories, and Tallman roses en corsage.

Mr. John R. Taylor, Vancouver, supported the groom. At a reception held at the home of the bride's brother-in-law and sister, Mr. and Mrs. R. M. Sundin, 1322 Denman Street, Mr. Sundin proposed the toast to the bride's health.

Taking leave of her friends for a honeymoon in Vancouver, the bride donned a tea blue topcoat over her wedding ensemble. In the new year the couple will leave for Kelowna to make their future home.

## Couple Celebrate Golden Wedding

Mr. and Mrs. John Dempster, Sr., residents of Victoria since 1910, received many friends at their home, 1940 Ernest Avenue, Tuesday afternoon on the occasion of their golden wedding anniversary. Many gifts and flowers were received and a family gathering was held in the evening.

Married in Lesmahagow, Scotland, in 1885, Mr. and Mrs. Dempster founded the wholesale florist of Dempster Bros., here. They have eight children, including Sgt.-Maj. T. B. Dempster, of the Canadian Scottish; Mrs. C. Barrieux, John Jr., William, James, Scott and Mrs. William Brown, all of Victoria, and Mrs. Stanley Blackburn, of Nanaimo. John, one of five grandchildren, is serving in the army of occupation in Germany.

LONDON (CP)—W. J. Lonsdale, joint general manager, has been appointed chief general manager of the District Bank Limited.

Mr. and Mrs. P. J. Hill, 834 Ellery Street, Victoria, announce the engagement of their daughter, Roney, to Pte. Allan G. McPherson, Loyall Edmonton Regiment, son of Mr. and Mrs. A. W. McPherson, 1050 Delta Avenue, Vancouver, B.C. (Vancouver papers please copy.)

Announcements to appear under this heading will be accepted at The Colonist Advertising Department. Minimum charge \$1.50 for 10 lines, and 25¢ for each additional line.

BOZCOMBE, England (CP)—One of Britain's best-known musical broadcasters, Mario de Piccini, 49, has died.

## Solarium Patient Walks Again After Penicillin Treatment

Board of directors of the Queen Alexandra Solarium reported at a recent meeting that during September ten patients were admitted to the Solarium for treatment, coming from the following places: Saanich, 1; Victoria, 3; Lake Cowichan, 1; Massett, 1; Telkwa, 1; and Chilliwack, 1; Kamloops, 1; Esquimalt, 1. Seven patients were discharged to their homes during the month.

Further miraculous results were reported from penicillin treatments: Manuel came to the Solarium in November, 1940, suffering from chronic osteomyelitis in the clavicle and spine and has been through trying days. In August, 1944, it was expected that he could not live much longer and the boy had given up hope, but with two series of penicillin treatments he made a rapid recovery and is now getting about with the aid of crutches.

Deanna came to the Solarium in September, 1939, at the age of two and one half years, to be treated for tuberculosis of the spine, dorsal region, and has been in bed on a frame until a week ago when she was allowed up for a short time. She is now over eight years of age, is of a bright disposition, and very pleased to be able to get about with the support of a celluloid jacket.

Total patient days for the month

of September were 2,018, with an average of 67.2 children being cared for daily, and sixty-seven children remained in hospital on September 30. With sixty-nine children in hospital, three are on the waiting list, and ten cases are under correspondence. The waiting list will probably increase as very few discharges are in view.

Victoria A.R.P. Ambulance recently donated to the Solarium by the War Emergency and Public Utilities Committee is now in use. The heavy construction of this car and facilities make it particularly suitable for Solarium purposes, as many patients must be driven 28 miles to and from the city, very often after undergoing operations.

## Realize \$26.65 for Junior Red Cross

Proceeds of the Halloween Social given by the pupils and the teachers, Miss Claire Eiler, of Rocky Point School, amounted to \$26.65 and will be in aid of the Junior Red Cross. Over 50 persons attended the social on Friday evening. Mrs. Wyldie was winner of the contest prize and delicious refreshments were served by ladies of the district.

Appearing With Ballet in Seattle

ROBERT Lindgren, native son of Victoria who is on his way to a successful dancing career with the famous company, "Ballet Russe de Monte Carlo," will appear as the Russian sailor in Red Poppy, the new Soviet ballet being presented in Seattle on November 6. He is pictured in costume for "Le Gentilhomme Bourgeois" in which he was given favorable notice by the famous Broadway critic, John Martin.

Mr. Lindgren auditioned for the Ballet Russe in August, 1940, before

Lemide Maxime and was accepted, the youngest male dancer up to that time. Young Lindgren joined the R.C.A. in 1942 after a season with the Ballet Theatre. A year later he was honorably discharged and re-joined the Ballet Russe in November, 1944. Since his return he has danced in "Le Gentilhomme Bourgeois" and in July he danced in his first television ballet.

Lindgren was a pupil of Dorothy Wilson, well-known teacher of this city and later worked with June Roper at Vancouver.

## Teen Canteen to Open Saturday

Mrs. W. C. Woodward, wife of the Lieutenant-Governor of British Columbia, will officially open the Victoria Teen Canteen on Saturday at 7:30 p.m. Mrs. Nancy Hodges, M.L.A., will be guest speaker and Mayor P. E. George will act as master of ceremonies during the first part of the program.

For Victoria young people between 13 and 19 years, the canteen will be open every afternoon from 3 to 5 p.m., and on Saturdays, from 2 to 5 p.m., for junior members. The canteen will be open in the evenings, Monday and Wednesday, from 7 to 9 p.m.; Friday, from 7 to 10 p.m., and Saturday, from 7:30 to 11:30 p.m. Bill Bryson's Orchestra will be in attendance for dancing.

Miss Velda Wille's pupils will dance on opening night, and Mr. Ernie Crockett will be guest musician.

Guests will include: Mr. and Mrs. H. V. Bartholomew, Mr. and Mrs. W. A. Bayless, Mr. and Mrs. P. E. Winslow, Mr. and Mrs. A. Curtis, Mr. and Mrs. R. W. Mayhew, Mr. and Mrs. W. T. Strath, Dr. and Mrs. R. Felton, Mr. and Mrs. J. F. K. English, Mr. and Mrs. K. Simpson, Mr. and Mrs. H. E. Farquhar, Mr. and Mrs. J. Newall, Mr. and Mrs. T. Horne, Mrs. Ernest Evans, Mrs. W. C. Graves, and Mrs. B. Heisterman.

## Victoria Arts On Display

Thirty-fifth annual exhibit of the Island Arts and Crafts Society associated with the Victoria Pottery Club was opened Saturday afternoon at 3 o'clock, with a short talk by John Kyle, president of the former group.

Mr. Kyle explained the work of the pottery exhibits and the pioneering which the members had achieved, and drew special attention to the work of the Kiwanis Rehabilitation Workshop and the occupational therapy which has been done. Several leathercraft gloves, purses, albums, and wallets were shown in that section; as well as a number of felt, suede, and woolen toys. Beautiful needlecraft work was also on display.

The paintings this year include water colors, oils, and pastels; and the work of a number of local artists is on display. Landscapes, water scenes, portraits, and flowers, were only a few of the varied subjects.

## International Drama Festival To Be Held Here

Plans for an international drama festival in Victoria next summer have been presented by H. J. S. Reynolds and approved at the annual general meeting of the Provincial Drama Association at the Empress Hotel.

Major J. Bullock-Webster was elected president of the association for the fifteenth year, and was also recommended again as British Columbia regional chairman of the Dominion Drama Festival. Other officers elected were:

Ross A. Lort, C.D.A., Vancouver, vice-president; G. O. Cumpston, C.A., treasurer; W. B. Crawley, C.D.A., recording secretary; Miss Dorothy Davies, corresponding secretary.

Members of the executive committee are: H. M. Bigwood, Salmon Arm; Charles E. Smith and Archie McCorkindale, Vancouver; Stewart G. Clark, H. J. S. Reynolds and Miss Edith Benson, Victoria.

Miss Dorothy Davies and Lt. Berlin, of H.M.C.S. Naden, gave a reading of a radio script, and Mrs. Downes presented an amusing monologue. Arrangements for the meeting were carried out by Miss Anne F. Adamson and Mrs. Maude Bentley.

## Versatiles Score Another Success

Playing to a crowded house of naval officers and ratings in the drill hall of H.M.C.S. Naden last evening, the Versatiles Concert Party, of the Canadian Legion War Services, under the leadership of Doug Park, presented a variety show which kept moving at a hilarious pace.

A favorite number proved to be a comedy duet, entitled "Two Little Sausages," in which Mary Armitage and Alf Adams shared the honors. Little Dorothy Finn was her usual appealing self in song and dance numbers. Another favorite was Jim Matheson with lively Scottish-comedy numbers. Grace Adams and Doug Park won the audience with a duet from the musical comedy, "Maid of the Mountains." The orchestra was under the direction of George Todd; Bert Lashmar, cornetist, and Jack Smith, violinist, were well received. Stage manager was Ralph Cruickshank.

Following the performance, the officers entertained the artists. The Versatiles entertained at Parsons Bridge Camp last Friday, and will give two concerts this coming week to the recently returned repatriates from the prison camps of the Orient.

## Chemainus Civil Defence Disbands

CHEMAINUS, Oct. 27.—Civil Defence organization for the Chemainus-Crofton Area has disbanded.

H. Heslip, at the final meeting, paid special tribute to E. Craig, who acted as secretary since inception May 7, 1941, and, also since the death of H. Evans some two years ago, as chief warden.

Mr. Craig thanked A. Bennett, instructor for classes in which nearly 400 obtained first aid or home nursing certificates. Messrs F. Elliott, A. Bennett and E. Craig, also took a special ten weeks gas instructor course, at Nanaimo. Miss C. Whitaker, former matron of Chemainus Hospital, and Dr. N. Dick, Dr. N. Becker, and Dr. D. Harwood all gave services in class instruction.

Mrs. J. Sandland, the Chemainus school board, James Store, and B. Devitt store, were thanked for housing Red Cross emergency equipment. Mrs. A. Bennett faithfully reported each week on the strenuous service, as also had Mrs. J. Taylor and Mrs. Foley.

Co-operation also acknowledged from J. Humbird, the Victoria Lumber Co. Ltd., the plant engineers.

## "Farmerettes" Box Social

Harvest time will be the theme of decoration of the Solarium Junior League barn dance, to be held in the Lower Ballroom at the Crystal Garden on Tuesday, November 6, with stalks of corn, sunflowers and giant pumpkins for decoration. "Farmerettes" will invite their "farmer" partners and pack a box lunch for two. Gingham and overalls will be the style for the evening, and prizes will be presented for the most original costume.

A floor show of six scarecrows, from Wynne Shaw's studio, will be featured. This is the sixth year for this affair and promises a good time for everyone. Tickets may be bought from members or from Victoria Photo Supply or from Pollock's, florists.

## Ask Medical School Be Established Soon

Early establishment of a medical faculty at the University of British Columbia will be pressed by a delegation of pre-medical students who plan to come to Victoria to meet Premier John Hart. They will ask that the medical school be established by next term.

The Legislature at its last session allocated \$5,000,000 to the university to increase accommodation and establish new faculties, including a medical school. So far shortage of men and materials has held up the university construction program.

LONDON (CP)—Alcohol is helping to solve London's acute laundry problem. Thousands of tons of family "wash" which would normally require huge quantities of precious soap now are being treated with sulphurated fatty alcohol.

Receive Applications For Topaz Apartments  
Alderman T. W. Hawkins, chairman of the city housing committee, announced yesterday that applications are being received from service couples for Topaz Avenue apartments, five of which are expected to be ready early in November.

Applications, which must be written, go to the housing committee at City Hall. Applicants should be couples only, and must state length of service in the forces and where it took place, as well as their length of residence in Victoria before enlistment.

LONDON (CP)—School children, Boy Scouts, Girl Guides and other youth organizations are being asked to arrange collections and to sell acorns direct to local pig and poultry breeders as a supplementary carbohydrate food.

## Fraser Canyon Tolls to Fore

Whether the Fraser Canyon route will remain a toll highway when the Hope-Princeton link is completed is a question that is likely to cause fireworks in Legislative circles. Government chiefs have taken no definite stand so far.

Seasonal removal of the toll charges ordinarily takes place in November and December. At present the only comment obtainable is that ordinary practice will probably be followed.

With completion of the Hope-Princeton link, a good deal of the traffic now paying tolls will not need to use the Fraser Canyon route. Chief customers of the toll road will be northern traffic and transprovin-

cial traffic using the Big Bend route to the coast. The entire southern section of the province through to the Alberta boundary will be served by the Hope-Princeton link. Government chiefs have Fraser Canyon Highway tolls "under advisement." Further than that they will not comment. It is probable they will be brought under considerable pressure from cities along the Fraser route and in the central and northern sections of the province for removal of the tolls.

Hope-Princeton will take two years to complete. Until that time it will not compete with the Fraser Canyon road, and it is entirely possible no action will be taken until then.

**RADIO-ACTIVE ELEMENT**  
TRIVANDRUM, India (CP).—Therium, one of the radio-active elements which is held by experts as next in importance to uranium is found in Travancore mineral lands.

## We Missed the Bus!

Eight months ago the Smith family and ourselves dreamed about building a home. The Smiths did, we thought it could not be done, but they got busy and saw Joe, who helped them with their Government permit, select a lot, plan their home and arrange finances. What a load it took off their shoulders. We are doing the same—we make \$200 per month—can get a loan of \$4,800, and with \$700 cash can build a nice home.

We Are Planning Our HOME NOW

♠ 6 3

**SOUTH**  
▲ 10 4 3  
♦ A Q J  
♥ K Q 6 5  
♠ 7 4

The bidding:  
South West North East  
1 ♠ Pass 2 ♠ Pass  
2 NT Pass 3 NT Pass  
3 NT Pass 4 NT Pass

East was "trapping" when he stayed discreetly silent until the opponents had reached the game contract—which was an excellent idea in itself, but which needed better implementing by East himself in the play!

West opened the heart five; South captured East's king and led a club to the queen. East, rejoicing in two

club stoppers, grabbed the trick and shifted to the spade nine, in an effort to knock out dummy's only outside entry. South, however, was having none of this—he put up the spade ace, led a club to the king and cleared the rest of the club suit by forcing out East's jack. Now, making a bad matter worse, East shifted to the diamond jack, with the result that South easily made an over-trick. (Four clubs, one diamond, two spades, and three hearts.)

most certainly should not have taken the first club lead. If he had ducked and preserved his two stoppers, the dummy would have been "killed" and never would have taken another trick except the spade king. This brings us to South's error in giving East the chance to save himself. The contract was virtually hopeless unless the club suit could be established and run. South had plenty of stoppers in the other suits, so he should have concentrated on that club establishment. The right play was to duck the first club lead in dummy; to win East's (best) return of a spade with the ace, and then to lead a second club to the queen. Now it would do East no good to hold up—his ace would be forced out, and the rest of the suit could be run.

It might repay my readers to study this establishment play as a type.

## Your Daily Forecast

By EDWARD A. WAGNER

**PLANETARY GUIDE FOR SUNDAY, OCTOBER 28, 1945**  
Keywords for the Day: Pleasure, relaxation, devotion.

Sunday in General—Prior to 5:30 p.m. Sunday is a favorable time for relaxing, enjoying yourself, forwarding matters having to do with accounts, finances, solving problems, devotional and religious matters, attention to parental and family interests. After this time calls for tact and discrimination.

If October 28 is Your Birthdate: "Many happy returns." Famous persons born on this date include: E. Fairbanks, manufacturer of platform scale; Horace Smith, inventor and manufacturer of firearms; Collis P. Huntington, capitalist and railroad builder.

Your Year Ahead—Promote ambitions, clear away odds and ends of obstacles and problems to advantage in the year ahead. You will not lack for resourcefulness and ideas and should accomplish a great deal.

**PLANETARY GUIDE FOR MONDAY, OCTOBER 29, 1945**  
Keywords for the Day: Action, harmony, judgment.

Monday in General—The major trend is favorable today, and this is a good time for promoting friendships, social and pleasurable matters, effecting greater harmony or conciliating things. Proceed discriminately, however, avoiding a slight tendency toward extravagance or poor judgment.

If October 29 is Your Birthdate: "Many happy returns." Famous persons born on this date include: Fannie Brice, stage and radio actress; Akim Tamiroff, movie actor; D. D. Emmett, song writer, famous for his "Dixie."

Your Year Ahead—This year can be important for the solution of some potential problem of significance or for conciliating differences or converting an enemy into a friend.

## Why Group Games Make Us Normal

By Dr. J. B. WARREN

In a group game the "team" must win or excel, not the individual, and unselfishness becomes the natural, the everyday, the expected thing to do. The others on the team have rights, the opposing team has rights, and the individual player has his rights, and each and every player learns to respect the rights of others and just as naturally demands his own rights.

The player and his team get "hooked" at times, win victories at other times, so learn to take victories and defeats as they come.

Released by Consolidated News Pictures, Inc.

## Boy Scout News

**1ST TILLAMU CUB PACK**

The weekly meeting was held on Monday, with a good attendance. Games were played and tests passed. Wayne Beecroft was presented with the artist badge.

**NORTH QUADRA CUB PACK**

At Wednesday's meeting games were played and tests passed. Bobby Keizer was invested as a Cub and presented with the tenderpad badge. Next Wednesday the meeting will take place in the form of a Halloween party. There will be prizes for the best costumes and refreshments.

So, Mr. Free Enterprise, you have taken the credit for winning the war; now it is up to you to win the peace, which by your own admission depends on full employment. North America is paying you. Now, M. J. A. Macintosh, Crystal Gardens, Tuesday, October 28—8 P.M.

## Proposed Plans for Greater Victoria Unified Transportation System

**FARES**—The present fare structure of the company, which is 5c cash fare and an 80c weekly pass to approximately three road miles from the city centre, will be carried out in the proposed Greater Victoria Transportation System. This will entitle all residents living within the boundaries of Victoria City to a 5c fare and an 80c weekly pass, and also give a large proportion of the surrounding municipalities the benefit of this lower fare. Beyond the 5c fare and the 80c weekly pass, zone the 5c fare and \$1.00 weekly pass will prevail in most instances, with the fare going as high as 7c in some of the far outlying districts in Saanich Municipality feeder system. Children's fares on the entire system will be a 3c cash fare or 10 tickets for 25c.

**TRANSFER PRIVILEGES**—Transfer privileges will be extended throughout the entire system on the following basis: All transfers issued to within the 5c zone will be issued on a 5c fare. All transfers issued from a 5c zone into a 6c zone will require the payment of an additional 1c. Transfers issued from a 5c zone into a 7c zone will require the payment of an additional 2c. Children will be entitled to transfers at no extra cost.

**ROUTES—SCHEDULES**—There will be nineteen main line routes, paired as follows and operated on the following schedules:

Route No. 1—Hastings-Mount Tolmie and Esquimalt, 5 to 15-minute headway.  
Route No. 2—Oak Bay (North) and Gorge Road, 10 to 20-minute headway.  
Route No. 3—Shoal Bay and Lake Hill-Royal Oak, 10 to 20-minute headway.  
Route No. 4—Fairfield and Beacon Hill, 10-minute headway.  
Route No. 5—Victoria West-Craigflower-Gorge Park and Richardson-Quamichan, 15-minute headway.  
Route No. 6—Gonzales-King George Terrace and Burnside, 10 to 20-minute headway.  
Route No. 7—Hillside and Outer Wharf, 10-minute headway.  
Route No. 8—Maplewood Road and Mount View-Carey-Judith-Saanich-McKenzie, 10 to 20-minute headway.  
Route No. 9—Willows and Colville Road-Drydock, 10 to 20-minute headway.

Route No. 10—Fernwood-Uplands-Cadboro Bay, 10 to 20-minute headway. Headway on Oak Bay Avenue will be 5 to 10-minute frequency. On Douglas Street between Fort Street and Hillside Avenue headway will be 2 1/2 to 5-minute frequency. In addition to the above-mentioned headway of schedules there will be extra overland buses operated during peak hours. A study of our map showing our proposed routes will show that every consideration has been given to the linking up of one district with another. The outlying districts in the municipality of Saanich will be cared for by a very efficient and well-planned feeder system. A feeder bus will connect between the Gorge Road and Admirals Road terminals and Burnside and Wilkeson Road terminals. It will serve Island Highway to Helmcken Road, Helmcken Road to Holland Avenue, Holland Avenue to Hastings Street, Hastings Street to Wilkeson Road, Wilkeson Road to Burnside Road and Marigold Road, covering Marigold Road, Interurban Road, Wilkeson Road and Judah Street. A feeder will connect with Cadboro Bay route at Cadboro Bay Post Office and will serve Sinclair Road, Hobbs Street, Arbutus Road, Fannery Road, Cedar Hill Crossroad, Cedar Hill Road to Gwenth Road, and will connect with the Hillside Avenue main line route. A feeder bus will connect with the Cadboro Bay Post Office line serving Ten Mile Point area and Queenswood Drive. Another feeder will connect with the Hastings-Mount Tolmie line, serving Shelbourne, Ruby Road, Gordon Head, Fernside, Tyndall and Faltham. A feeder will connect with Hillside and Maplewood lines, serving Braefoot Avenue, covering the following route: Hillside to Gwenth, Gwenth to Cedar Hill Road, Cedar Hill Road to Cedar Hill Crossroad, Cedar Hill Crossroad to Braefoot, Braefoot to Simon,

Simon to Blenkinsop. The only other feeder that will be operated in the company's proposals will be in the Esquimalt Municipality, connecting the Esquimalt Road via Head Street, Lyall, Lamson, Munro, Fraser, Admirals to Colville Road. By having the feeder buses proceed where possible on one route from one end of the main line to another, it will give double advantage in headway, in comparison to having the feeder bus connect with one main route only. By handling the outlying districts of Saanich Municipality by a feeder system, we feel that advantages gained by operating in this manner, by being able to give a more frequent service and lower fare in these outlying districts is more than offset by persons having to transfer to a main line bus to get to the city. A study of our map will show that only a very small portion of Saanich will be taken care of by a feeder system in comparison to the area that will be cared for by a main line route.

It has been our intention to plan these routes in as no one residing within the approximate three-mile circle will have to walk more than three blocks to board a bus, and in the case of approximately 90% of the people living within the three-mile area none will have to walk more than 2 1/2 of a mile to get transportation on our proposed system.

**EQUIPMENT**—After giving consideration to all forms of vehicles which would be most suitable to the operation of this system in Greater Victoria we have come to the conclusion that the gasoline motor bus has many advantages over other makes of vehicles, street cars or trolley buses. A motor bus requires no overhead wires and unsightly poles to be erected. It has been found that trolley buses break up the city pavements. When a trolley bus breaks down it ties up an entire line, or if there is a fire or a large parade in the city, blocking street traffic, trolley buses cannot be re-routed, thereby disrupting the service and depriving the people on the entire route of service. Gasoline buses could be re-routed. We would use 100 new gasoline motor buses of the very latest and up-to-date type obtainable on the market for the carrying out of our services. These buses would range from 25 to 41 passengers.

**INSURANCE**—Our prevailing limits of insurance would be carried out on the Greater Victoria Transportation System, which limits are carried on each bus \$15,000 to \$50,000 for Public Liability and standard limits for Property Damage.

**DRIVERS**—We plan to employ some two hundred operators, preference being given to returned veterans where possible, who will have to pass physical examinations and eye tests, and will be required to take drivers' tests as set down by the Provincial Police and be holders of Class A licences; and in addition to this it will be compulsory to attend a Company School of instruction where they will be taught to handle the public in a safe, courteous and respectable manner; to operate the motor buses efficiently and safely, respecting traffic signals and other motorists.

**DEPOTS**—A depot, garage or an empty lot is impractical in an urban operation of this kind for loading and unloading its patrons. There will be times where there would be as many as thirty buses in the City at one time, and it would be practically impossible to find a site close enough to the business section of the city to erect a depot to take care of the loading and unloading of passengers from the number of buses required in this Greater Victoria operation. We do not know of any city in the United States or Canada where any company engaged exclusively in urban transportation load and unload their passengers on private property. We calculate there will be some forty to eighty thousand passengers per day using this proposed service, which passengers will be picked up and dropped off at respective bus stops over the entire routes. Our company does, however, propose to have a central information office, baggage check room, lost and found department and ticket selling depot in the downtown area for the convenience of its patrons. The Company has planned for the erection of a large garage depot for the facilitating of servicing and storing of its fleet of motor buses. The General Office will be centrally located in the business section of the City, where persons wishing to discuss matters pertaining to its operation can conveniently do so.

**COMMENCEMENT OF SERVICE**—Our plans can be put into operation six months after the acceptance by the Municipalities concerned and the approval of the Public Utilities Commission is obtained. The above proposals outline The Veterans' Sightseeing and Transportation Company, Limited, operators of the Blue Line Transit's offer of service which will in due course be submitted separately to each of the Municipalities comprising the Greater Victoria area, or to any body legally constituted to accept tenders for a Unified Transportation System.

## "Laura" Recalls Era of Prewar Cafe Society

Twentieth Century-Fox, the studio responsible for more exciting film innovations than you could think a delighted eye at, has done it again! This time it's "Laura," starring Gene Tierney and Dana Andrews. The film, which opens Monday at the York Theatre, with a midnight showing tonight, is the story of a strange and dangerous experiment in the love of a man for a woman he has never seen, and how that love became the most fearful thing that ever happened to any woman on earth. Clifton Webb, celebrated earth.

## "The Woman in Green" Comes to the Plaza

"The Woman in Green," latest of Universal's Sherlock Holmes detective story pictures, comes tomorrow to the Plaza Theatre. Basil Rathbone appears as Sherlock, while Nigel Bruce has the role of Dr. Watson. The exciting new film, based on the characters created by Sir Arthur Conan Doyle, takes the famous sleuth and his companion through a series of baffling adventures while trailing a notorious blackmailer. Attractive Hilary Brooke and Paul Cavanagh have leading parts, while others in the cast are Henry Daniell, Eve Amber, Sally Shepherd and Matthew Boulton. Roy William Neill directed and produced "The Woman in Green" from an original screen play by Bertram Millhauser.

### Amusements ON THE SCREEN

Atlas—Donna Reed and Hurd Hatfield in "The Picture of Dorian Gray."  
Cadet—"Frisco Sal," starring Susanna Foster and Turhan Bey.  
Capitol—Gary Cooper and Loretta Young in "Along Came Jones."  
Dominion—"Where Do We Go From Here?" starring Fred MacMurray and Joan Leslie.  
Plaza—"The Woman in Green," starring Basil Rathbone and Nigel Bruce.  
Oak Bay—Tallulah Bankhead and William Bendix starring in "Lifeboat."  
Rio—"Louisiana Hayride," starring Judy Canova.  
York—Gene Tierney and Dana Andrews co-star in "Laura."

Bachelors at one time wore bachelor's buttons in their lapels as a symbol of their independence.

## A Story of a Gay Frontier Love Affair

Gary Cooper and Loretta Young co-star in Gary's first sponsored production, "Along Came Jones," coming to the Capitol Theatre tomorrow. It is an exciting tale of a gun-shy, girl-shy young man who learns how to face the facts.

## Technicolor Musical Stars Fred MacMurray

Local theatregoers are in for a rare screen treat when they see "Where Do We Go From Here?" acclaimed as the most unusual Technicolor musical ever to come out of Hollywood, now showing at the Dominion Theatre. Starring Fred MacMurray, Joan Leslie and June Haver, and photographed in dazzling Technicolor.

## "Along Came Jones" Stars Gary Cooper at Capitol

Action, romance and thrills are generously mixed in Gary Cooper's new International-R.K.O. picture which opens at the Capitol Theatre tomorrow under the intriguing title, "Along Came Jones." Marking Cooper's debut as producer as well as a star, with Loretta Young as his co-star, and William Demarest and Dan Duryea heading a strong supporting cast, the lanky Gary appears in the type of he-man role which has brought him to the very top among screen favorites. Blending tense drama and down-to-earth comedy with its love story, "Along Came Jones" was produced by Gary Cooper himself from Alan LeMay's novel. Nunnally Johnson wrote the screen play, with Stuart Heisler directing.

## Hurd Hatfield In Unusual Story

Donna Reed took another step toward stardom when the young actress was selected for an important role in M-G-M's "The Picture of Dorian Gray," screen adaptation of Oscar Wilde's famous novel, which opens tomorrow at the Atlas Theatre. The picture offers Miss Reed one of her finest dramatic opportunities to date. She portrays Gladys, who loves and believes in the strangely sinister Dorian despite sensational rumors she has heard whispered about him. Both Hurd Hatfield, as Dorian, and Peter Lawford, as David, vie for Donna's affections, and not until the last scene of the picture is the conflict solved. George Sanders, Angela Lansbury and Lowell Gilmore are also featured in the Wilde story.

## Judy Canova Stars at the Rio

Judy Canova is glamorized for her screen audiences for the first time in "Louisiana Hayride," the Columbia musical which will be at the Rio on Monday only with a midnight showing tonight. Jack of Hollywood was commissioned to create three fashion numbers for her. Two of them are ultra-modern evening gowns and the third a smart tailor-made suit. The story of "Louisiana Hayride" takes Judy from the Rio, where she suddenly encounters oil millions, to Hollywood, where she backs herself as a motion picture star.

## Toronto Mendelssohn Choir to Be Heard

TORONTO, Oct. 27. — AMUSE highlights of the Victory Loan broadcast of the Northern Electric Hour Monday will be the famed Toronto Mendelssohn Choir, singing unaccompanied, "I Hear the Soft Note" from Gilbert and Sullivan's "Patience," and "Brilliant Awake!" from Sir Edward Elgar's noteworthy opus "Caractacus." The full beauty and power of this outstanding musical organization conducted by Sir Ernest MacMillan has charmed audiences and music critics the continent over. In addition, celebrated contralto, Portia White of Halifax, will sing. This special Victory Loan broadcast offers F.L. Don A. MacMillan's dramatic poem "Their Canada."

## Chesterfield Retains Football Leadership

Blanks Middleborough, 4-0—Charlton Turns Back Arsenal, 6-2—Large Crowds See Matches

LONDON, Oct. 27 (CP)—Chesterfield retained its place today by defeating Middleborough, 4-0, in a game that gave the trailing team little chance.

Charlton Athletic League South leader, Chesterfield, a 6-2 victor over Arsenal, although the latter team had Dr. Kevin O'Flanagan, outstanding forward, playing as an amateur. He scored one of the two Arsenal goals.

Huddersfield Town, formerly in second place in League North, went down 6-2 before Stoke City. Blackpool was held to a 1-1 tie by Newcastle United. Second place now is shared by Sheffield Wednesday, Blackpool and Huddersfield Town.

Birmingham City, in League South, beat Brentford, 1-0, to take second place in the league with Aston Villa. West Ham United did well against Millwall winning 3-1. Nottingham Forest beat Leicester City to a 1-1 draw although the Nottinghamers yesterday said the team had a terrific day. All four teams from Germany during which the members were all in the weather.

Dundee Scottish League "B" leader, trimmed East Fife 5-2 but

was held to a 1-1 draw by Forth Wanderers. In League "A" both the top teams were held to ties. The Rangers

beat Motherwell, 1-0, while the latter team was held to a 0-0 draw by St. Mirren. Arbroath, 4-1, in League "B" and stands in second place.

Rotherham United defeated Bradford City 4-0, in the Third Division (North) and shares first place in that section with Gateshead winner over Hartlepool United, 3-1. Darlington, in third place, was defeated 6-1 by Halifax in a ding-dong fight.

Wrexham held its place atop the Northwest Section by winning over Stockport 3-2. Accrington Stanley beat Southport 1-0, and retains second place, shared with Crewe Alexandra and Rochdale.

In the South-South Section, Cardiff City climbed up alongside Crystal Palace in first place with a 2-2 victory over Brighton and Hove Albion. Crystal Palace did not play today. Bristol City triumphed 3-0, to hold second place.

In South-North, the famous Queens Park Rangers combination overcame Northampton, 4-1, leaving the Rangers far in the lead. Port Vale, standing second, was held to a 2-2 tie by Watford.

Large crowds continued to attend the matches. Aston Villa had 32,000 spectators as its best. Port Vale, 4-1, drew five thousand, watched the Charlton Athletic-Arsenal clash.

## Halls Named Island Traffic Superintendent for B.C.E.R.

Mr. H. H. Hall, superintendent of the B.C. Electric Railway, has been named as the new superintendent of the Island Traffic Department. Mr. Hall, who has been with the B.C.E.R. for 15 years, was previously in charge of the Victoria Traffic Department. He will be responsible for the operation of the Victoria, Nanaimo, and Port Hardy lines. Mr. Hall is a graduate of the University of British Columbia and has a degree in civil engineering. He has been with the B.C.E.R. since 1943, when he was appointed as the first superintendent of the Victoria Traffic Department. He has been in charge of the department ever since, and has been successful in increasing the number of passengers and the efficiency of the service. He will be leaving his present position on November 1, 1958, and will be taking up his new duties on November 1, 1958.

## 42 Victorians Are Liberated

Forty-two British Columbia prisoners of war have been liberated from the Japanese prison camp at Camp 14, near the Japanese coast. The prisoners were taken to the camp in 1942 and have been held there ever since. They were liberated by the Chinese Red Army in 1945. The prisoners were taken to the camp in 1942 and have been held there ever since. They were liberated by the Chinese Red Army in 1945.

## New York Stocks

NEW YORK, Oct. 27 (AP)—A moderate recovery in stock prices was seen today as investors reacted to reports that the Federal Reserve Board might raise the discount rate.

The Chicago Board of Trade reported that the wheat market was steady, with prices for the December contract at 1.15 1/2.

NEW YORK, Oct. 27 (AP)—The stock market today showed a moderate recovery, with the Dow Jones Industrial Average rising 1.14 points to 158.46.

Chicago Grain  
CHICAGO, Oct. 27 (AP)—The wheat market was steady, with prices for the December contract at 1.15 1/2.

## WOMEN LIKE to TELL

Women like to tell what Pantorium has done for Suits, Dresses and Coats that they were almost ready to discard. They are so delightfully surprised themselves that they just can't help talking about it—and, of course, that's all right with us! But what pleases them even more is the personal attention that is given every garment that comes in for a Pantorium treatment. It is the aim of every one of our expert operators to add each newcomer to a long, long list of old timers who just wouldn't think of going anywhere but Pantorium for ANY description of Dry Cleaning, whether it's an Oriental Rug or a Knitted Suit.

## CLEANING and DYEING AS YOU LIKE IT!

FORT at QUADRA—E7155

## a Pacific Roof is a Permanent Roof

## How did YOUR ROOF stand the storm?

Such storms as we had last week play havoc with Roofing Reputations—and quickly discover leaks and other weaknesses in roofs that LOOKED quite all right. The proof of a roof is not how it stands up in Summer, but how it SHOWS UP in Winter. When a flat or built-up roof has been applied by Pacific you can forget about it Summer and Winter, for the life of the Roof Bond that we hand you on completion of the job. First, we use only materials of nationally famous roofing manufacturers; and then we construct the roofing up to specifications which justify those manufacturers in recognizing us as BONDED ROOFERS.

When you entrust your heating problems to Pacific we analyze the situation first and then give you a figure on a completely scientific heating job.

## YOU'D NEVER BELIEVE SHE IS 48....

She's one of the prettiest, most popular women in the city. She's 48 years old. She's got a husband, a car, a house, and a lot of money. But she's not happy. She's bored. She's lonely. She's looking for something to do. She's looking for a challenge. She's looking for a man who can give her the excitement and adventure that she needs. She's looking for a man who can make her feel like a woman again. She's looking for a man who can make her feel like a woman again.

## Coast League To Increase Play-Off Pool

LOS ANGELES, Oct. 27 (AP).—The directors of the Pacific Coast Baseball League closed their annual meeting today with a series of moves designed to bring the league closer to major league status.

Concluding their two-day session, the directors:

Named a committee, including League President Clarence Rowland, President Charles Graham of the San Francisco Club, and President Victor Ford Collins of Hollywood, to appraise the major leagues of the Coast League's intentions.

Voted to increase the Governor's Cup play-off pool to \$50,000, and eliminate players' salaries during the play-offs, both subject to approval of the National Association of Minor Leagues.

Recommended discussing a jump from double "A" to triple "A" classification with the other minor leagues at the association meeting at Columbus December 4.

The question of negro players in the league or permitting negro clubs to use league parks was not considered, Rowland said.

Yubi Separovich, Sacramento official, was elected third vice-president, replacing Clarence Laws, Oakland president, whose term expired. Don Stewart, Los Angeles president, and George Norgan, Portland head, moved up to the first and second vice-president posts.

Adoption of the 1946 playing schedule was set for the next meeting at the minor league conclave in Columbus.

## Gordon Richards Fails To Ride 3,000 Winners

WINDSOR, Eng., Oct. 27 (AP).—Gordon Richards failed in three attempts today to become the first English jockey to ride 3,000 winners. He placed third on Sugar Palm in the last race at Windsor after his two other mounts, Royal Union and Pinch of Heaven, ran out of the money.

The 41-year-old jockey whose 103 winners this season give him a record lifetime total of 2,999 gets his next chance to reach the 3,000 mark during the Newmarket meeting next week.

## LAWN BOWLING

Annual meeting of the Victoria West Lawn Bowling Club will be held in the clubrooms on Friday, November 9, at 8 p.m. Prizes won during the past year will be presented and officers elected. All members are requested to attend.

## CAGE WORKOUT

Mooney's Crescents will hold a basketball workout at Centennial gymnasium tomorrow at 8 p.m. All players are requested to attend.

Technology, unimpaired by the glorious promise of the Free Enterprise, continues to mean measurable facts. Technology has made manpower obsolete. Jobs are not important. Production is. Near M. E. A. Maximilian, Crestal Garden, Tuesday, October 30—6 P.M.

## Now... LOANS AT REDUCED COST

\$20 to \$1,000 monthly rate of only 1 1/2%  
No endorsers—Quick service

NOW you can borrow from Household Finance at the monthly rate of only 1 1/2%. At this rate you pay only \$1.50 for a \$100 loan for one month, only \$3.75 for a \$200 loan!

All you do. To apply for a loan at this reduced rate—\$50, \$100, or as much as \$1,000—you merely telephone or visit the Household office, say how much money you want and the payment plan you prefer (see table below). You need no endorsers, guarantors or bankable security, no help from outsiders, to get a loan from Household. If you can make the monthly payments shown, don't hesitate to ask for whatever amount you need. You can usually get the cash the same day you apply.

Small monthly payments. Notice that you may choose the payment plan that best fits your own income. The sooner

you repay the less your loan costs. Payments shown include principal and charges. No fines, discounts or extras of any kind.

Now see what reasonable costs Household's rate makes possible. A \$25 loan, repaid in 3 monthly payments, for example, costs only 75c. And that's the total and complete cost! Charges on a \$100 loan, repaid in six monthly installments as shown, come to only \$5.32. A \$300 6-payment loan \$15.07; a \$500 6-payment loan \$25.07; a \$1,000 6-payment loan only \$53.15.

Why pay more?

If you need money to pay old bills, your doctor or dentist, or for some other purpose, phone or visit Household Finance. Take advantage of Household's reduced rate now.

## Buick Introduces Its 1946 Models

BUICK introduces its first models for 1946 with production emphasis on the Series 50 Super four-door sedan. Mounted on a 124-inch wheelbase chassis, its improved design incorporates full airflow fenders, new theft-proof rear wheel shields, completely restyled radiator grille and bumper assembly and

other appearance refinements. The straight eight, valve-in-head engine has precision-bored and specially honed cylinder barrels and features the dome-shaped combustion chamber characteristic of the Buick fireball design. Numerous mechanical and equipment improvements have been effected.

The new Buick instrument panel has tan or grey oak grain finish to harmonize with interiors and mounts well-located instruments, heater and ventilation, light and other controls, radio, glove compartment and clock. New one-piece moulded rubber accelerator pedal with steel insert eliminates formal metal hinge. The step-on parking brake is located at extreme left of driver's compartment. Light pressure with the toe engages the parking brake—it is locked by pushing the small hand control on the left corner of the dash and released by pulling this same knob.

## Rugby Scores in The Old Country

LONDON, Oct. 27 (CP).—Results of Rugby matches played today in the United Kingdom follow:

### RUGBY LEAGUE

Barnes 27, St. Helens 13.  
Bradley 12, Hull Kingston Rovers 16.

## Mrs. Bramley Is Elected Captain At Uplands Club

Mrs. R. Bramley was elected ladies' captain of the Uplands Golf Club at the annual meeting held in the clubhouse, and Mrs. W. Erickson was named secretary. Members of the committee are: Mrs. F. G. Hope, Mrs. H. A. Blakey, Mrs. J. W. Kempston, Mrs. S. D. Horsford and Miss M. MacKenzie-Grieve.

Following the meeting a presentation was made to Mrs. R. Bramley and Mrs. W. Erickson in appreciation of their work during the past year.

## Lesnevich May Fight Woodcock in England

LONDON, Oct. 27 (Reuters).—Since Heavyweight Champion Bruce Woodcock of Britain, is unable to leave his job as railway fitter and cross the Atlantic to fight the world light-heavyweight champion, Gus Lesnevich, it was suggested here today that perhaps Lesnevich would come to Britain.

London Promoter Jack Solomons said: "If Lesnevich would make the trip to this country I could offer him very tempting terms."

Meanwhile Woodcock is looking for opponents in Britain and finding it a tough job.

"I would like to fight every six weeks," he said today.

## End of the World If Atom Released

LONDON, Oct. 27 (CP).—Unless controlled by an international organization, the atomic bomb is "the handwriting on the wall" foreboding fulfillment of Biblical prophecies of the end of the world, Most Rev. Dr. Cyril Forster Garbett, Archbishop of York, said today.

"Our statesmen must create some international organization to whose hand the secret and manufacture of these bombs may be entrusted," the archbishop wrote in his November diocesan letter.

The archbishop said the international organization "must control such overwhelming force that it could retaliate at once on any nation that attempted to decide an issue by a sudden attack on its adversary."

"The Biblical declaration that the end of the world will come suddenly," he said, "is driven home to us with fresh meaning: 'The heavens shall pass away with a great noise and the elements shall melt with fervent heat, the earth, also, and the works which are therein shall be burned.'

"The writing on the wall of threatened doom and destruction can now be read clearly by all thoughtful men.

"It is sheer wishful thinking to take comfort in the thought that some defence against the atomic bomb will be found.

"The nations have discovered some of the greatest secrets of nature without learning how to use them rightly. The atomic bomb has suddenly brought us to the edge of a precipice. Fear that we may be compelled to plunge into its depths may make us realize that science and material property cannot save us from destruction."

These are but a few of the many Victoria Store employees who have served their country.

## We Welcome Them Back to "The Bay"

They're Back on the Job After Serving Canada on the Land, on the Sea and in the Air

WE are proud to welcome these fellow employees back. They've done a grand job!

They are keen and alert. You'll notice a new sense of self-reliance as you recognize these familiar faces in many sections of the store.

These are the first to return to us. The first to take up responsibilities they left when duty called.

We eagerly await the many other members of our staff, who, upon their discharge, will be rejoining us. Their new skills and experiences will have helped to prepare them for future leadership.

## We Thank Our Duration Employees

To those who so willingly filled the gap . . . those who helped us to carry on while our regular staff members did the greatest job of their lives . . . we thank you.

We have enjoyed working with you . . . and though we're sorry to see you go, the graceful manner in which you have stepped aside for those returning from the Services, will live on . . . to be remembered and appreciated long into the future.
